(e) Wages includes payments made for services by a migrant family. Where services are performed by a married couple or a family and an employer makes payment to only one individual, each worker is considered as having received an equal share of the compensation unless there is a contract or other proof to the contrary.

Subd. 3. **Rulemaking.** The commissioner may adopt rules to implement the provisions of this chapter.

Subd. 4. **Account creation; appropriation.** The family and medical benefit insurance account is created in the special revenue fund in the state treasury. Money in this account is appropriated to the commissioner to pay benefits under and to administer this chapter, including outreach required under section 268B.18.

Sec. 7. [268B.03] PAYMENT OF BENEFITS.

Subdivision 1. **Requirements.** The commissioner must pay benefits from the family and medical benefit insurance account as provided under this chapter to an applicant who has met each of the following requirements:

(1) the applicant has filed an application for benefits and established a benefit account in accordance with section 268B.04;

(2) the applicant has met all of the ongoing eligibility requirements under section 268B.06;

(3) the applicant does not have an outstanding overpayment of family or medical leave benefits, including any penalties or interest;

(4) the applicant has not been held ineligible for benefits under section 268.07, subdivision 2; and

(5) the applicant is not employed exclusively by a private plan employer and has wage credits during the base year attributable to employers covered under the state family and medical leave program.

Subd. 2. **Benefits paid from state funds.** Benefits are paid from state funds and are not considered paid from any special insurance plan, nor as paid by an employer. An application for family or medical leave benefits is not considered a claim against an employer but is considered a request for benefits from the family and medical benefit insurance account. The commissioner has the responsibility for the proper payment of benefits regardless of the

level of interest or participation by an applicant or an employer in any determination or appeal. An applicant's entitlement to benefits must be determined based upon that information available without regard to a burden of proof. Any agreement between an applicant and an employer is not binding on the commissioner in determining an applicant's entitlement. There is no presumption of entitlement or nonentitlement to benefits.

Sec. 8. **[268B.04] BENEFIT ACCOUNT; BENEFITS.**

Subdivision 1. **Application for benefits; determination of benefit account.** (a) An application for benefits may be filed in person, by mail, or by electronic transmission as the commissioner may require. The applicant must include certification supporting a request for leave under this chapter. The applicant must meet eligibility requirements at the time the application is filed and must provide all requested information in the manner required. If the applicant does not meet eligibility at the time of the application or fails to provide all requested information, the communication is not an application for family and medical leave benefits.

(b) The commissioner must examine each application for benefits to determine the base period and the benefit year, and based upon all the covered employment in the base period the commissioner must determine the weekly benefit amount available, if any, and the maximum amount of benefits available, if any. The determination, which is a document separate and distinct from a document titled a determination of eligibility or determination of ineligibility, must be titled determination of benefit account. A determination of benefit account must be sent to the applicant and all base period employers, by mail or electronic transmission.

(c) If a base period employer did not provide wage detail information for the applicant as required under section 268B.12, the commissioner may accept an applicant certification of wage credits, based upon the applicant's records, and issue a determination of benefit account.

(d) The commissioner may, at any time within 24 months from the establishment of a benefit account, reconsider any determination of benefit account and make an amended determination if the commissioner finds that the wage credits listed in the determination were incorrect for any reason. An amended determination of benefit account must be promptly sent to the applicant and all base period employers, by mail or electronic transmission. This paragraph does not apply to documents titled determinations of eligibility or determinations of ineligibility issued.

(e) If an amended determination of benefit account reduces the weekly benefit amount or maximum amount of benefits available, any benefits that have been paid greater than the applicant was entitled is an overpayment of benefits. A determination or amended determination issued under this section that results in an overpayment of benefits must set out the amount of the overpayment and the requirement that the overpaid benefits must be repaid according to section 268B.185.

Subd. 2. **Benefit account requirements.** (a) Unless paragraph (b) applies, to establish a benefit account, an applicant must have wage credits of at least 5.3 percent of the state's average annual wage rounded down to the next lower \$100.

(b) To establish a new benefit account following the expiration of the benefit year on a prior benefit account, an applicant must have performed actual work in subsequent covered employment and have been paid wages in one or more completed calendar quarters that started after the effective date of the prior benefit account. The wages paid for that employment must be at least enough to meet the requirements of paragraph (a). A benefit account under this paragraph must not be established effective earlier than the Sunday following the end of the most recent completed calendar quarter in which the requirements of paragraph (a) were met. An applicant must not establish a second benefit account as a result of one loss of employment.

Subd. 3. **Weekly benefit amount; maximum amount of benefits available; prorated amount.** (a) Subject to the maximum weekly benefit amount, an applicant's weekly benefit is calculated by adding the amounts obtained by applying the following percentage to an applicant's average typical workweek and weekly wage during the high quarter of the base period:

(1) 90 percent of wages that do not exceed 50 percent of the state's average weekly wage; plus

(2) 66 percent of wages that exceed 50 percent of the state's average weekly wage but not 100 percent; plus

(3) 55 percent of wages that exceed 100 percent of the state's average weekly wage.

(b) The state's average weekly wage is the average wage as calculated under section 268.035, subdivision 23, at the time a benefit amount is first determined.

(c) The maximum weekly benefit amount is the state's average weekly wage as calculated under section 268.035, subdivision 23.

(d) The state's maximum weekly benefit amount, computed in accordance with section 268.035, subdivision 23, applies to a benefit account established effective on or after the last Sunday in October. Once established, an applicant's weekly benefit amount is not affected by the last Sunday in October change in the state's maximum weekly benefit amount.

(e) For an employee receiving family or medical leave, a weekly benefit amount is prorated when:

(1) the employee works hours for wages; or

(2) the employee uses paid sick leave, paid vacation leave, or other paid time off that is not considered a supplemental benefit payment as defined in section 268B.01, subdivision 37.

Subd. 4. Timing of payment. Except as otherwise provided for in this chapter, benefits must be paid weekly.

Subd. 5. Maximum length of benefits. (a) Except as provided in paragraph (b), in a single benefit year, an applicant may receive up to 12 weeks of benefits under this chapter related to the applicant's serious health condition or pregnancy and up to 12 weeks of benefits under this chapter for bonding, safety leave, or family care.

(b) An applicant may receive up to 12 weeks of benefits in a single benefit year for leave related to one or more qualifying exigencies.

Subd. 6. Minimum period for which benefits payable. Except for a claim for benefits for bonding leave, any claim for benefits must be based on a single qualifying event of at least seven calendar days. Benefits may be paid for a minimum duration of eight consecutive hours in a week. If an employee on leave claims eight hours at any point during a week, the minimum duration is satisfied.

Subd. 7. Right of appeal. (a) A determination or amended determination of benefit account is final unless an applicant files an appeal within 20 calendar days after the sending of the determination or amended determination. Every determination or amended determination of benefit account must contain a prominent statement indicating in clear language the consequences of not appealing. Proceedings on the appeal are conducted in accordance with section 268B.08.

(b) Any applicant may appeal from a determination or amended determination of benefit account on the issue of whether services performed constitute employment, whether the employment is covered employment, and whether money paid constitutes wages.

Subd. 8. Limitations on applications and benefit accounts. (a) An application for family or medical leave benefits is effective the Sunday of the calendar week that the application was filed. An application for benefits may be backdated one calendar week before the Sunday of the week the application was actually filed if the applicant

requests the backdating within seven calendar days of the date the application is filed. An application may be backdated only if the applicant was eligible for the benefit during the period of the backdating. If an individual attempted to file an application for benefits, but was prevented from filing an application by the department, the application is effective the Sunday of the calendar week the individual first attempted to file an application.

(b) A benefit account established under subdivision 2 is effective the date the application for benefits was effective.

(c) A benefit account, once established, may later be withdrawn if:

(1) the applicant has not been paid any benefits on that benefit account; and

(2) a new application for benefits is filed and a new benefit account is established at the time of the withdrawal.

A benefit account may be withdrawn after the expiration of the benefit year, and the new work requirements of subdivision 2, paragraph (b), do not apply if the applicant was not paid any benefits on the benefit account that is being withdrawn.

A determination or amended determination of eligibility or ineligibility issued under section 268B.07 that was sent before the withdrawal of the benefit account, remains in effect and is not voided by the withdrawal of the benefit account.

Sec. 9. **[268B.05] CONTINUED REQUEST FOR BENEFITS.**

A continued request for family or medical leave benefits is a certification by an applicant, done on a weekly basis, that the applicant is unable to perform usual work due to a qualifying event and meets the ongoing eligibility requirements for benefits under section 268B.06. A continued request must include information on possible issues of ineligibility.

Sec. 10. **[268B.06] ELIGIBILITY REQUIREMENTS; PAYMENTS THAT AFFECT BENEFITS.**

Subdivision 1. **Eligibility conditions.** (a) An applicant may be eligible to receive family or medical leave benefits for any week if:

(1) the applicant has filed a continued request for benefits for that week under section 268B.05;

(2) the week for which benefits are requested is in the applicant's benefit year;

(3) the applicant was unable to perform regular work due to a serious health condition, a qualifying exigency, safety leave, family care, bonding, pregnancy, or recovery from pregnancy for the period required under subdivision 2;

(4) the applicant has sufficient wage credits from an employer or employers as defined in section 268B.01, subdivision 41, to establish a benefit account under section 268B.04; and

(5) an applicant requesting benefits under this chapter must fulfill certification requirements under subdivision 3.

(b) A self-employed individual or independent contractor who has elected and been approved for coverage under section 268B.11 need not fulfill the requirement of paragraph (a), clause (4).

Subd. 2. **Seven-day qualifying event.** (a) The period for which an applicant is seeking benefits must be or have been based on a single event of at least seven calendar days' duration related to pregnancy, recovery from pregnancy, family care, a qualifying exigency, safety leave, or the applicant's serious health condition. The days need not be consecutive.

(b) Benefits related to bonding need not meet the seven-day qualifying event requirement.

(c) The commissioner must use the rulemaking authority under section 268B.02, subdivision 3, to adopt rules regarding what serious health conditions and other events are prospectively presumed to constitute seven-day qualifying events under this chapter.

Subd. 3. **Certification.** (a) Certification for an applicant taking leave related to the applicant's serious health condition shall be sufficient if the certification states the date on which the serious health condition began, the probable duration of the condition, and the appropriate medical facts within the knowledge of the health care provider as required by the commissioner.

(b) Certification for an applicant taking leave to care for a family member with a serious health condition shall be sufficient if the certification states the date on which the serious health condition commenced, the probable duration of the condition, the appropriate medical facts within the knowledge of the health care provider as required by the commissioner, a statement that the family member requires care, and an estimate of the amount of time that the family member will require care.

(c) Certification for an applicant taking leave related to pregnancy shall be sufficient if the certification states the expected due date and recovery period based on appropriate medical facts within the knowledge of the health care provider.

(d) Certification for an applicant taking bonding leave because of the birth of the applicant's child shall be sufficient if the certification includes either the child's birth certificate or a document issued by the health care provider of the child or the health care provider of the person who gave birth, stating the child's birth date.

(e) Certification for an applicant taking bonding leave because of the placement of a child with the applicant for adoption or foster care shall be sufficient if the applicant provides a document issued by the health care provider of the child, an adoption or foster care agency involved in the placement, or by other individuals as determined by the commissioner that confirms the placement and the date of placement. To the extent that the status of an applicant as an adoptive or foster parent changes while an application for benefits is pending, or while the covered individual is receiving benefits, the applicant must notify the department of such change in status in writing.

(f) Certification for an applicant taking leave because of a qualifying exigency shall be sufficient if the certification includes:

(1) a copy of the family member's active-duty orders;

(2) other documentation issued by the United States armed forces; or

(3) other documentation permitted by the commissioner.

(g) Certification for an applicant taking safety leave is sufficient if the certification includes a court record or documentation signed by a volunteer or employee of a victim's services organization, an attorney, a police officer, or an antiviolence counselor. The commissioner must not require disclosure of details relating to an applicant's or applicant's family member's domestic abuse, sexual assault, or stalking.

(h) Certifications under paragraphs (a) to (e) must be reviewed and signed by a health care provider with knowledge of the qualifying event associated with the leave.

(i) For a leave taken on an intermittent or reduced-schedule basis, based on a serious health condition of an applicant or applicant's family member, the certification under this subdivision must include an explanation of how such leave would be medically beneficial to the individual with the serious health condition.

Subd. 4. **Not eligible.** An applicant is ineligible for family or medical leave benefits for any portion of a typical workweek:

(1) that occurs before the effective date of a benefit account;

(2) that the applicant has an outstanding misrepresentation overpayment balance under section 268B.185, subdivision 5, including any penalties and interest;

(3) that the applicant fails or refuses to provide information on an issue of ineligibility required under section 268B.07, subdivision 2; or

(4) for which the applicant worked for pay.

Subd. 5. **Vacation, sick leave, and supplemental benefit payments.** (a) An applicant is not eligible to receive benefits for any portion of a typical workweek the applicant is receiving, has received, or will receive vacation pay, sick pay, or personal time off pay, also known as "PTO."

(b) Paragraph (a) does not apply:

(1) upon a permanent separation from employment;

(2) to payments from a vacation fund administered by a union or a third party not under the control of the employer; or

(3) to supplemental benefit payments, as defined in section 268B.01, subdivision 37.

(c) Payments under this subdivision are applied to the period immediately following the later of the date of separation from employment or the date the applicant first becomes aware that the employer will be making a payment. The date the payment is actually made or received, or that an applicant must agree to a release of claims, does not affect the application of this subdivision.

Subd. 6. **Workers' compensation and disability insurance offset.** (a) An applicant is not eligible to receive benefits for any portion of a week in which the applicant is receiving or has received compensation for loss of wages equal to or in excess of the applicant's weekly family or medical leave benefit amount under:

(1) the workers' compensation law of this state;

(2) the workers' compensation law of any other state or similar federal law; or

(3) any insurance or trust fund paid in whole or in part by an employer.

(b) This subdivision does not apply to an applicant who has a claim pending for loss of wages under paragraph (a). If the applicant later receives compensation as a result of the pending claim, the applicant is subject to paragraph (a) and the family or medical leave benefits paid are overpaid benefits under section 268B.185.

(c) If the amount of compensation described under paragraph (a) for any week is less than the applicant's weekly family or medical leave benefit amount, benefits requested for that week are reduced by the amount of that compensation payment.

Subd. 7. **Separation, severance, or bonus payments.** (a) An applicant is not eligible to receive benefits for any week the applicant is receiving, has received, or will receive separation pay, severance pay, bonus pay, or any other payments paid by an employer because of, upon, or after separation from employment. This subdivision applies if the payment is:

(1) considered wages under section 268B.01, subdivision 43; or

(2) subject to the Federal Insurance Contributions Act (FICA) tax imposed to fund Social Security and Medicare.

(b) Payments under this subdivision are applied to the period immediately following the later of the date of separation from employment or the date the applicant first becomes aware that the employer will be making a payment. The date the payment is actually made or received, or that an applicant must agree to a release of claims, does not affect the application of this paragraph.

(c) This subdivision does not apply to vacation pay, sick pay, personal time off pay, or supplemental benefit payment under subdivision 4.

(d) This subdivision applies to all the weeks of payment.

(e) Under this subdivision, if the payment with respect to a week is equal to or more than the applicant's weekly benefit amount, the applicant is ineligible for benefits for that week. If the payment with respect to a week is less than the applicant's weekly benefit amount, benefits are reduced by the amount of the payment.

Subd. 8. Social Security disability benefits. (a) An applicant who is receiving, has received, or has filed for primary Social Security disability benefits for any week is ineligible for benefits for that week, unless:

(1) the Social Security Administration approved the collecting of primary Social Security disability benefits each month the applicant was employed during the base period; or

(2) the applicant provides a statement from an appropriate health care professional who is aware of the applicant's Social Security disability claim and the basis for that claim, certifying that the applicant is available for suitable employment.

(b) If an applicant meets the requirements of paragraph (a), clause (1) or (2), there is no deduction from the applicant's weekly benefit amount for any Social Security disability benefits.

(c) Information from the Social Security Administration is conclusive, absent specific evidence showing that the information was erroneous.

Sec. 11. **[268B.07] DETERMINATION ON ISSUES OF ELIGIBILITY.**

Subdivision 1. Employer notification. (a) Upon a determination that an applicant is entitled to benefits, the commissioner must promptly send a notification to each current employer of the applicant, if any, in accordance with paragraph (b).

(b) The notification under paragraph (a) must include, at a minimum:

(1) the name of the applicant;

(2) that the applicant has applied for and received benefits;

(3) the week the benefits commence;

(4) the weekly benefit amount payable; and

(5) the maximum duration of benefits.

Subd. 2. **Determination.** (a) The commissioner must determine any issue of ineligibility raised by information required from an applicant and send to the applicant and any current base period employer, by mail or electronic transmission, a document titled a determination of eligibility or a determination of ineligibility, as is appropriate, within two weeks.

(b) If an applicant obtained benefits through misrepresentation, the department is authorized to issue a determination of ineligibility within 48 months of the establishment of the benefit account.

(c) If the department has filed an intervention in a worker's compensation matter under section 176.361, the department is authorized to issue a determination of ineligibility within 48 months of the establishment of the benefit account.

(d) A determination of eligibility or determination of ineligibility is final unless an appeal is filed by the applicant within 20 calendar days after sending. The determination must contain a prominent statement indicating the consequences of not appealing. Proceedings on the appeal are conducted in accordance with section 268B.08.

(e) An issue of ineligibility required to be determined under this section includes any question regarding the denial or allowing of benefits under this chapter.

Subd. 3. **Amended determination.** Unless an appeal has been filed, the commissioner, on the commissioner's own motion, may reconsider a determination of eligibility or determination of ineligibility that has not become final and issue an amended determination. Any amended determination must be sent to the applicant and any employer in the current base period by mail or electronic transmission. Any amended determination is final unless an appeal is filed by the applicant within 20 calendar days after sending. Proceedings on the appeal are conducted in accordance with section 268B.08.

Subd. 4. **Benefit payment.** If a determination or amended determination allows benefits to an applicant, the family or medical leave benefits must be paid regardless of any appeal period or any appeal having been filed.

Subd. 5. **Overpayment.** A determination or amended determination that holds an applicant ineligible for benefits for periods an applicant has been paid benefits is an overpayment of those family or medical leave benefits. A determination or amended determination issued under this section that results in an overpayment of benefits must set out the amount of the overpayment and the requirement that the overpaid benefits must be repaid according to section 268B.185.

Sec. 12. **[268B.08] APPEAL PROCESS.**

Subdivision 1. **Hearing.** (a) The commissioner shall designate a chief benefit judge.

(b) Upon a timely appeal to a determination having been filed or upon a referral for direct hearing, the chief benefit judge must set a time and date for a de novo due-process hearing and send notice to an applicant and an employer, by mail or electronic transmission, not less than ten calendar days before the date of the hearing.

(c) The commissioner may adopt rules on procedures for hearings. The rules need not conform to common law or statutory rules of evidence and other technical rules of procedure.

(d) The chief benefit judge has discretion regarding the method by which the hearing is conducted.

Subd. 2. **Decision.** (a) After the conclusion of the hearing, upon the evidence obtained, the benefit judge must serve by mail or electronic transmission to all parties the decision, reasons for the decision, and written findings of fact.

(b) Decisions of a benefit judge are not precedential.

Subd. 3. **Request for reconsideration.** Any party, or the commissioner, may, within 30 calendar days after service of the benefit judge's decision, file a request for reconsideration asking the judge to reconsider that decision.

Subd. 4. **Appeal to court of appeals.** Any final determination on a request for reconsideration may be appealed by any party directly to the Minnesota Court of Appeals.

Subd. 5. **Benefit judges.** (a) Only employees of the department who are attorneys licensed to practice law in Minnesota may serve as a chief benefit judge, senior benefit judges who are supervisors, or benefit judges.

(b) The chief benefit judge must assign a benefit judge to conduct a hearing and may transfer to another benefit judge any proceedings pending before another benefit judge.

Sec. 13. **[268B.085] LEAVE.**

Subdivision 1. **Right to leave.** Ninety calendar days from the date of hire, an employee has a right to leave from employment for any day, or portion of a day, for which the employee would be eligible for benefits under this chapter, regardless of whether the employee actually applied for benefits and regardless of whether the employee is covered under a private plan or the public program under this chapter.

Subd. 2. **Notice to employer.** (a) If the need for leave is foreseeable, an employee must provide the employer at least 30 days' advance notice before leave under this chapter is to begin. If 30 days' notice is not practicable because of a lack of knowledge of approximately when leave will be required to begin, a change in circumstances, or a medical emergency, notice must be given as soon as practicable. Whether leave is to be continuous or is to be taken intermittently or on a reduced-schedule basis, notice need only be given one time, but the employee must advise the employer as soon as practicable if dates of scheduled leave change or are extended, or were initially unknown. In those cases where the employee is required to provide at least 30 days' notice of foreseeable leave and does not do so, the employee must explain the reasons why notice was not practicable upon request from the employer.

(b) "As soon as practicable" means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case. When an employee becomes aware of a need for leave under this chapter less than 30 days in advance, it should be practicable for the employee to provide notice of the need for leave either the same day or the next day, unless the need for leave is based on a medical emergency. In all cases, however, the determination of when an employee could practicably provide notice must take into account the individual facts and circumstances.

(c) An employee shall provide at least verbal notice sufficient to make the employer aware that the employee needs leave allowed under this chapter and the anticipated timing and duration of the leave. An employer may require an employee giving notice of leave to include a certification for the leave as described in section 268B.06, subdivision 3. Such certification, if required by an employer, is timely when the employee delivers it as soon as practicable given the circumstances requiring the need for leave, and the required contents of the certification.

(d) An employer may require an employee to comply with the employer's usual and customary notice and procedural requirements for requesting leave, absent unusual circumstances or other circumstances caused by the reason for the employee's need for leave. Leave under this chapter must not be delayed or denied where an employer's usual and customary notice or procedural requirements require notice to be given sooner than set forth in this subdivision.

(e) If an employer has failed to provide notice to the employee as required under section 268B.26, paragraph (a), (b), or (c), the employee is not required to comply with the notice requirements of this subdivision.

Subd. 3. **Bonding leave.** Bonding leave taken under this chapter begins at a time requested by the employee. Bonding leave must begin within 12 months of the birth, adoption, or placement of a foster child, except that, in the case where the child must remain in the hospital longer than the mother, the leave must begin within 12 months after the child leaves the hospital.

Subd. 4. **Intermittent or reduced-leave schedule.** (a) Leave under this chapter, based on a serious health condition, may be taken intermittently or on a reduced-leave schedule if such leave would be medically beneficial to the individual with the serious health condition. For all other leaves under this chapter, leave may be taken intermittently or on a reduced-leave schedule. Intermittent leave is leave taken in separate blocks of time due to a single, seven-day qualifying event. A reduced-leave schedule is a leave schedule that reduces an employee's usual number of working hours per workweek or hours per workday.

(b) Leave taken intermittently or on a reduced-schedule basis counts toward the maximums described in section 268B.04, subdivision 5.

Sec. 14. **[268B.09] EMPLOYMENT PROTECTIONS.**

Subdivision 1. **Retaliation prohibited.** An employer must not retaliate against an employee for requesting or obtaining benefits, or for exercising any other right under this chapter.

Subd. 2. **Interference prohibited.** An employer must not obstruct or impede an application for leave or benefits or the exercise of any other right under this chapter.

Subd. 3. **Waiver of rights void.** Any agreement to waive, release, or commute rights to benefits or any other right under this chapter is void.

Subd. 4. **No assignment of benefits.** Any assignment, pledge, or encumbrance of benefits is void. Benefits are exempt from levy, execution, attachment, or any other remedy provided for the collection of debt. Any waiver of this subdivision is void.

Subd. 5. **Continued insurance.** During any leave for which an employee is entitled to benefits under this chapter, the employer must maintain coverage under any group insurance policy, group subscriber contract, or health care plan for the employee and any dependents as if the employee was not on leave, provided, however, that the employee must continue to pay any employee share of the cost of such benefits.

Subd. 6. **Employee right to reinstatement.** (a) On return from leave under this chapter, an employee is entitled to be returned to the same position the employee held when leave commenced or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An employee is entitled to reinstatement even if the employee has been replaced or the employee's position has been restructured to accommodate the employee's absence.

(b)(1) An equivalent position is one that is virtually identical to the employee's former position in terms of pay, benefits, and working conditions, including privileges, prerequisites, and status. It must involve the same or substantially similar duties and responsibilities, which must entail substantially equivalent skill, effort, responsibility, and authority.

(2) If an employee is no longer qualified for the position because of the employee's inability to attend a necessary course, renew a license, fly a minimum number of hours, or similar condition, as a result of the leave, the employee must be given a reasonable opportunity to fulfill those conditions upon return from leave.

(c)(1) An employee is entitled to any unconditional pay increases which may have occurred during the leave period, such as cost of living increases. Pay increases conditioned upon seniority, length of service, or work performed must be granted in accordance with the employer's policy or practice with respect to other employees on an equivalent leave status for a reason that does not qualify for leave under this chapter. An employee is entitled to be restored to a position with the same or equivalent pay premiums, such as a shift differential. If an employee departed from a position averaging ten hours of overtime, and corresponding overtime pay, each week an employee is ordinarily entitled to such a position on return from leave under this chapter.

(2) Equivalent pay includes any bonus or payment, whether it is discretionary or nondiscretionary, made to employees consistent with clause (1). If a bonus or other payment is based on the achievement of a specified goal such as hours worked, products sold, or perfect attendance, and the employee has not met the goal due to leave under this chapter, the payment may be denied, unless otherwise paid to employees on an equivalent leave status for a reason that does not qualify for leave under this chapter.

(d) Benefits under this section include all benefits provided or made available to employees by an employer, including group life insurance, health insurance, disability insurance, sick leave, annual leave, educational benefits, and pensions, regardless of whether benefits are provided by a practice or written policy of an employer through an employee benefit plan as defined in section 3(3) of United States Code, title 29, section 1002(3).

(1) At the end of an employee's leave under this chapter, benefits must be resumed in the same manner and at the same levels as provided when the leave began, and subject to any changes in benefit levels that may have taken place during the period of leave affecting the entire workforce, unless otherwise elected by the employee. Upon return from a leave under this chapter, an employee must not be required to requalify for any benefits the employee enjoyed before leave began, including family or dependent coverages.

(2) An employee may, but is not entitled to, accrue any additional benefits or seniority during a leave under this chapter. Benefits accrued at the time leave began must be available to an employee upon return from leave.

(3) With respect to pension and other retirement plans, leave under this chapter must not be treated as or counted toward a break in service for purposes of vesting and eligibility to participate. If the plan requires an employee to be employed on a specific date in order to be credited with a year of service for vesting, contributions, or participation purposes, an employee on leave under this chapter must be treated as employed on that date. Periods of leave under this chapter need not be treated as credited service for purposes of benefit accrual, vesting, and eligibility to participate.

(4) Employees on leave under this chapter must be treated as if they continued to work for purposes of changes to benefit plans. Employees on leave under this chapter are entitled to changes in benefit plans, except those which may be dependent upon seniority or accrual during the leave period, immediately upon return from leave or to the same extent they would have qualified if no leave had been taken.

(e) An equivalent position must have substantially similar duties, conditions, responsibilities, privileges, and status as the employee's original position.

(1) The employee must be reinstated to the same or a geographically proximate worksite from where the employee had previously been employed. If the employee's original worksite has been closed, the employee is entitled to the same rights as if the employee had not been on leave when the worksite closed.

(2) The employee is ordinarily entitled to return to the same shift or the same or an equivalent work schedule.

(3) The employee must have the same or an equivalent opportunity for bonuses, profit-sharing, and other similar discretionary and nondiscretionary payments.

(4) This chapter does not prohibit an employer from accommodating an employee's request to be restored to a different shift, schedule, or position which better suits the employee's personal needs on return from leave, or to offer a promotion to a better position. However, an employee must not be induced by the employer to accept a different position against the employee's wishes.

(f) The requirement that an employee be restored to the same or equivalent job with the same or equivalent pay, benefits, and terms and conditions of employment does not extend to de minimis, intangible, or unmeasurable aspects of the job.

Subd. 7. Limitations on an employee's right to reinstatement. An employee has no greater right to reinstatement or to other benefits and conditions of employment than if the employee had been continuously employed during the period of leave under this chapter. An employer must be able to show that an employee would not otherwise have been employed at the time reinstatement is requested in order to deny restoration to employment.

(1) If an employee is laid off during the course of taking a leave under this chapter and employment is terminated, the employer's responsibility to continue the leave, maintain group health plan benefits, and restore the employee cease at the time the employee is laid off, provided the employer has no continuing obligations under a collective bargaining agreement or otherwise. An employer would have the burden of proving that an employee would have been laid off during the period of leave under this chapter and, therefore, would not be entitled to restoration. Restoration to a job slated for layoff when the employee's original position would not meet the requirements of an equivalent position.

(2) If a shift has been eliminated or overtime has been decreased, an employee would not be entitled to return to work that shift or the original overtime hours upon restoration. However, if a position on, for example, a night shift has been filled by another employee, the employee is entitled to return to the same shift on which employed before taking leave under this chapter.

(3) If an employee was hired for a specific term or only to perform work on a discrete project, the employer has no obligation to restore the employee if the employment term or project is over and the employer would not otherwise have continued to employ the employee.

Subd. 8. Remedies. (a) In addition to any other remedies available to an employee in law or equity, an employer who violates the provisions of this section is liable to any employee affected for:

(1) damages equal to the amount of:

(i) any wages, salary, employment benefits, or other compensation denied or lost to such employee by reason of the violation, or, in cases in which wages, salary, employment benefits, or other compensation have not been denied or lost to the employee, any actual monetary losses sustained by the employee as a direct result of the violation; and

(ii) reasonable interest on the amount described in item (i); and

(2) such equitable relief as may be appropriate, including employment, reinstatement, and promotion.

(b) An action to recover damages or equitable relief prescribed in paragraph (a) may be maintained against any employer in any federal or state court of competent jurisdiction by any one or more employees for and on behalf of:

(1) the employees; or

(2) the employees and other employees similarly situated.

(c) The court in an action under this section must, in addition to any judgment awarded to the plaintiff or plaintiffs, allow reasonable attorney fees, reasonable expert witness fees, and other costs of the action to be paid by the defendant.

(d) Nothing in this section shall be construed to allow an employee to recover damages from an employer for the denial of benefits under this chapter by the department, unless the employer unlawfully interfered with the application for benefits under subdivision 2.

Sec. 15. **[268B.10] SUBSTITUTION OF A PRIVATE PLAN.**

Subdivision 1. **Application for substitution.** Employers may apply to the commissioner for approval to meet their obligations under this chapter through the substitution of a private plan that provides paid family, paid medical, or paid family and medical benefits. In order to be approved as meeting an employer's obligations under this chapter, a private plan must confer all of the same rights, protections, and benefits provided to employees under this chapter, including but not limited to benefits under section 268B.04 and employment protections under section 268B.09. An employee covered by a private plan under this section retains all applicable rights and remedies under section 268B.09.

Subd. 2. **Private plan requirements; medical benefit program.** (a) The commissioner must approve an application for private provision of the medical benefit program if the commissioner determines:

(1) all of the employees of the employer are to be covered under the provisions of the employer plan;

(2) eligibility requirements for benefits and leave are no more restrictive than as provided under this chapter;

(3) the weekly benefits payable under the private plan for any week are at least equal to the weekly benefit amount payable under this chapter, taking into consideration any coverage with respect to concurrent employment by another employer;

(4) the total number of weeks for which benefits are payable under the private plan is at least equal to the total number of weeks for which benefits would have been payable under this chapter;

(5) no greater amount is required to be paid by employees toward the cost of benefits under the employer plan than by this chapter;

(6) wage replacement benefits are stated in the plan separately and distinctly from other benefits;

(7) the private plan will provide benefits and leave for any serious health condition or pregnancy for which benefits are payable, and leave provided, under this chapter;

(8) the private plan will impose no additional condition or restriction on the use of medical benefits beyond those explicitly authorized by this chapter or regulations promulgated pursuant to this chapter;

(9) the private plan will allow any employee covered under the private plan who is eligible to receive medical benefits under this chapter to receive medical benefits under the employer plan; and

(10) coverage will continue under the private plan while an employee remains employed by the employer.

(b) Notwithstanding paragraph (a), a private plan may provide shorter durations of leave and benefit eligibility if the total dollar value of wage replacement benefits under the private plan for an employee for any particular qualifying event meets or exceeds what the total dollar value would be under the public family and medical benefit program.

Subd. 3. Private plan requirements; family benefit program. (a) The commissioner must approve an application for private provision of the family benefit program if the commissioner determines:

(1) all of the employees of the employer are to be covered under the provisions of the employer plan;

(2) eligibility requirements for benefits and leave are no more restrictive than as provided under this chapter;

(3) the weekly benefits payable under the private plan for any week are at least equal to the weekly benefit amount payable under this chapter, taking into consideration any coverage with respect to concurrent employment by another employer;

(4) the total number of weeks for which benefits are payable under the private plan is at least equal to the total number of weeks for which benefits would have been payable under this chapter;

(5) no greater amount is required to be paid by employees toward the cost of benefits under the employer plan than by this chapter;

(6) wage replacement benefits are stated in the plan separately and distinctly from other benefits;

(7) the private plan will provide benefits and leave for any care for a family member with a serious health condition, bonding with a child, qualifying exigency, or safety leave event for which benefits are payable, and leave provided, under this chapter;

(8) the private plan will impose no additional condition or restriction on the use of family benefits beyond those explicitly authorized by this chapter or regulations promulgated pursuant to this chapter;

(9) the private plan will allow any employee covered under the private plan who is eligible to receive medical benefits under this chapter to receive medical benefits under the employer plan; and

(10) coverage will continue under the private plan while an employee remains employed by the employer.

(b) Notwithstanding paragraph (a), a private plan may provide shorter durations of leave and benefit eligibility if the total dollar value of wage replacement benefits under the private plan for an employee for any particular qualifying event meets or exceeds what the total dollar value would be under the public family and medical benefit program.

Subd. 4. Use of private insurance products. Nothing in this section prohibits an employer from meeting the requirements of a private plan through a private insurance product. If the employer plan involves a private insurance product, that insurance product must conform to any applicable law or rule.

Subd. 5. Private plan approval and oversight fee. An employer with an approved private plan is not required to pay premiums established under section 268B.14. An employer with an approved private plan is responsible for a private plan approval and oversight fee equal to \$250 for employers with fewer than 50 employees, \$500 for employers with 50 to 499 employees, and \$1,000 for employers with 500 or more employees. The employer must pay this fee (1) upon initial application for private plan approval, and (2) any time the employer applies to amend the private plan. The commissioner must review and report on the adequacy of this fee to cover private plan administrative costs annually beginning October 1, 2022, as part of the annual report established in section 268B.21.

Subd. 6. Plan duration. A private plan under this section must be in effect for a period of at least one year and, thereafter, continuously unless the commissioner finds that the employer has given notice of withdrawal from the plan in a manner specified by the commissioner in this section or rule. The plan may be withdrawn by the employer

within 30 days of the effective date of any law increasing the benefit amounts or within 30 days of the date of any change in the rate of premiums. If the plan is not withdrawn, it must be amended to conform to provide the increased benefit amount or change in the rate of the employee's premium on the date of the increase or change.

Subd. 7. **Appeals.** An employer may appeal any adverse action regarding that employer's private plan to the commissioner, in a manner specified by the commissioner.

Subd. 8. **Employees no longer covered.** (a) An employee is no longer covered by an approved private plan if a leave under this chapter occurs after the employment relationship with the private plan employer ends, or if the commissioner revokes the approval of the private plan.

(b) An employee no longer covered by an approved private plan is, if otherwise eligible, immediately entitled to benefits under this chapter to the same extent as though there had been no approval of the private plan.

Subd. 9. **Posting of notice regarding private plan.** An employer with a private plan must provide a notice prepared by or approved by the commissioner regarding the private plan consistent with section 268B.26.

Subd. 10. **Amendment.** (a) The commissioner must approve any amendment to a private plan adjusting the provisions thereof, if the commissioner determines:

(1) that the plan, as amended, will conform to the standards set forth in this chapter; and

(2) that notice of the amendment has been delivered to all affected employees at least ten days before the submission of the amendment.

(b) Any amendments approved under this subdivision are effective on the date of the commissioner's approval, unless the commissioner and the employer agree on a later date.

Subd. 11. **Successor employer.** A private plan in effect at the time a successor acquires the employer organization, trade, or business, or substantially all the assets thereof, or a distinct and severable portion of the organization, trade, or business, and continues its operation without substantial reduction of personnel resulting from the acquisition, must continue the approved private plan and must not withdraw the plan without a specific request for withdrawal in a manner and at a time specified by the commissioner. A successor may terminate a private plan with notice to the commissioner and within 90 days from the date of the acquisition.

Subd. 12. **Revocation of approval by commissioner.** (a) The commissioner may terminate any private plan if the commissioner determines the employer:

(1) failed to pay benefits;

(2) failed to pay benefits in a timely manner, consistent with the requirements of this chapter;

(3) failed to submit reports as required by this chapter or rule adopted under this chapter; or

(4) otherwise failed to comply with this chapter or rule adopted under this chapter.

(b) The commissioner must give notice of the intention to terminate a plan to the employer at least ten days before taking any final action. The notice must state the effective date and the reason for the termination.

(c) The employer may, within ten days from mailing or personal service of the notice, file an appeal to the commissioner in the time, manner, method, and procedure provided by the commissioner under subdivision 7.

(d) The payment of benefits must not be delayed during an employer's appeal of the revocation of approval of a private plan.

(e) If the commissioner revokes approval of an employer's private plan, that employer is ineligible to apply for approval of another private plan for a period of three years, beginning on the date of revocation.

Subd. 13. **Employer penalties.** (a) The commissioner may assess the following monetary penalties against an employer with an approved private plan found to have violated this chapter:

(1) \$1,000 for the first violation; and

(2) \$2,000 for the second, and each successive violation.

(b) The commissioner must waive collection of any penalty if the employer corrects the violation within 30 days of receiving a notice of the violation and the notice is for a first violation.

(c) The commissioner may waive collection of any penalty if the commissioner determines the violation to be an inadvertent error by the employer.

(d) Monetary penalties collected under this section shall be deposited in the family and medical benefit insurance account.

(e) Assessment of penalties under this subdivision may be appealed as provided by the commissioner under subdivision 7.

Subd. 14. **Reports, information, and records.** Employers with an approved private plan must maintain all reports, information, and records as relating to the private plan and claims for a period of six years from creation and provide to the commissioner upon request.

Subd. 15. **Audit and investigation.** The commissioner may investigate and audit plans approved under this section both before and after the plans are approved.

Sec. 16. **[268B.11] SELF-EMPLOYED AND INDEPENDENT CONTRACTOR ELECTION OF COVERAGE.**

Subdivision 1. **Election of coverage.** (a) A self-employed individual or independent contractor may file with the commissioner by electronic transmission in a format prescribed by the commissioner an application to be entitled to benefits under this chapter for a period not less than 104 consecutive calendar weeks. Upon the approval of the commissioner, sent by United States mail or electronic transmission, the individual is entitled to benefits under this chapter beginning the calendar quarter after the date of approval or beginning in a later calendar quarter if requested by the self-employed individual or independent contractor. The individual ceases to be entitled to benefits as of the first day of January of any calendar year only if, at least 30 calendar days before the first day of January, the individual has filed with the commissioner by electronic transmission in a format prescribed by the commissioner a notice to that effect.

(b) The commissioner may terminate any application approved under this section with 30 calendar days' notice sent by United States mail or electronic transmission if the self-employed individual is delinquent on any premiums due under this chapter. If an approved application is terminated in this manner during the first 104 consecutive calendar weeks of election, the self-employed individual remains obligated to pay the premium under subdivision 3 for the remainder of that 104-week period.

Subd. 2. **Application.** A self-employed individual who applies for coverage under this section must provide the commissioner with (1) the amount of the individual's net earnings from self-employment, if any, from the two most recent taxable years and all tax documents necessary to prove the accuracy of the amounts reported, and (2) any other documentation the commissioner requires. A self-employed individual who is covered under this chapter must annually provide the commissioner with the amount of the individual's net earnings from self-employment within 30 days of filing a federal income tax return.

Subd. 3. **Premium.** A self-employed individual who elects to receive coverage under this chapter must annually pay a premium equal to one-half the percentage in section 268B.14, subdivision 5, clause (1), times the lesser of:

- (1) the individual's self-employment premium base; or
- (2) the maximum earnings subject to the FICA Old-Age, Survivors, and Disability Insurance tax.

Subd. 4. **Benefits.** Notwithstanding anything to the contrary, a self-employed individual who has applied to and been approved for coverage by the commissioner under this section is entitled to benefits on the same basis as an employee under this chapter, except that a self-employed individual's weekly benefit amount under section 268B.04, subdivision 1, must be calculated as a percentage of the self-employed individual's self-employment premium base, rather than wages.

Sec. 17. **[268B.12] WAGE REPORTING.**

Subdivision 1. **Wage detail report.** (a) Each employer must submit, under the employer premium account described in section 268B.13, a quarterly wage detail report by electronic transmission, in a format prescribed by the commissioner. The report must include for each employee in covered employment during the calendar quarter, the employee's name, Social Security number, the total wages paid to the employee, and total number of paid hours worked. For employees exempt from the definition of employee in section 177.23, subdivision 7, clause (6), the employer must report 40 hours worked for each week any duties were performed by a full-time employee and must report a reasonable estimate of the hours worked for each week duties were performed by a part-time employee. In addition, the wage detail report must include the number of employees employed during the payroll period that includes the 12th day of each calendar month and, if required by the commissioner, the report must be broken down by business location and separate business unit. The report is due and must be received by the commissioner on or before the last day of the month following the end of the calendar quarter. The commissioner may delay the due date on a specific calendar quarter in the event the department is unable to accept wage detail reports electronically.

(b) The employer may report the wages paid to the next lower whole dollar amount.

(c) An employer need not include the name of the employee or other required information on the wage detail report if disclosure is specifically exempted from being reported by federal law.

(d) A wage detail report must be submitted for each calendar quarter even though no wages were paid, unless the business has been terminated.

Subd. 2. **Electronic transmission of report required.** Each employer must submit the quarterly wage detail report by electronic transmission in a format prescribed by the commissioner. The commissioner has the discretion to accept wage detail reports that are submitted by any other means or the commissioner may return the report submitted by other than electronic transmission to the employer, and reports returned are considered as not submitted and the late fees under subdivision 3 may be imposed.

Subd. 3. Failure to timely file report; late fees. (a) Any employer that fails to submit the quarterly wage detail report when due must pay a late fee of \$10 per employee, computed based upon the highest of:

(1) the number of employees reported on the last wage detail report submitted;

(2) the number of employees reported in the corresponding quarter of the prior calendar year; or

(3) if no wage detail report has ever been submitted, the number of employees listed at the time of employer registration.

The late fee is canceled if the wage detail report is received within 30 calendar days after a demand for the report is sent to the employer by mail or electronic transmission. A late fee assessed an employer may not be canceled more than twice each 12 months. The amount of the late fee assessed may not be less than \$250.

(b) If the wage detail report is not received in a manner and format prescribed by the commissioner within 30 calendar days after demand is sent under paragraph (a), the late fee assessed under paragraph (a) doubles and a renewed demand notice and notice of the increased late fee will be sent to the employer by mail or electronic transmission.

(c) Late fees due under this subdivision may be canceled, in whole or in part, under section 268B.16.

Subd. 4. Missing or erroneous information. (a) Any employer that submits the wage detail report, but fails to include all required employee information or enters erroneous information, is subject to an administrative service fee of \$25 for each employee for whom the information is partially missing or erroneous.

(b) Any employer that submits the wage detail report, but fails to include an employee, is subject to an administrative service fee equal to two percent of the total wages for each employee for whom the information is completely missing.

Subd. 5. Fees. The fees provided for in subdivisions 3 and 4 are in addition to interest and other penalties imposed by this chapter and are collected in the same manner as delinquent taxes and credited to the family and medical benefit insurance account.

Sec. 18. **[268B.13] EMPLOYER PREMIUM ACCOUNTS.**

The commissioner must maintain a premium account for each employer. The commissioner must assess the premium account for all the premiums due under section 268B.14, and credit the family and medical benefit insurance account with all premiums paid.

Sec. 19. **[268B.14] PREMIUMS.**

Subdivision 1. Payments. (a) Family and medical leave premiums accrue and become payable by each employer for each calendar year on the taxable wages that the employer paid to employees in covered employment.

Each employer must pay premiums quarterly, at the premium rate defined under this section, on the taxable wages paid to each employee. The commissioner must compute the premium due from the wage detail report required under section 268B.12 and notify the employer of the premium due. The premiums must be paid to the family and medical benefit insurance account and must be received by the department on or before the last day of the month following the end of the calendar quarter.

(b) If for any reason the wages on the wage detail report under section 268B.12 are adjusted for any quarter, the commissioner must recompute the premiums due for that quarter and assess the employer for any amount due or credit the employer as appropriate.

Subd. 2. **Payments by electronic payment required.** (a) Every employer must make any payments due under this chapter by electronic payment.

(b) All third-party processors, paying on behalf of a client company, must make any payments due under this chapter by electronic payment.

(c) Regardless of paragraph (a) or (b), the commissioner has the discretion to accept payment by other means.

Subd. 3. **Employee charge back.** Notwithstanding section 177.24, subdivision 4, or 181.06, subdivision 1, employers and covered business entities may deduct up to 50 percent of annual premiums paid under this section from employee wages. Such deductions for any given employee must be in equal proportion to the premiums paid based on the wages of that employee, and all employees of an employer must be subject to the same percentage deduction. Deductions under this section must not cause an employee's wage, after the deduction, to fall below the rate required to be paid to the worker by law, including any applicable statute, regulation, rule, ordinance, government resolution or policy, contract, or other legal authority, whichever rate of pay is greater.

Subd. 4. **Wages and payments subject to premium.** The maximum wages subject to premium in a calendar year is equal to the maximum earnings in that year subject to the FICA Old-Age, Survivors, and Disability Insurance tax.

Subd. 5. **Annual premium rates.** The employer premium rates for the calendar year beginning January 1, 2023, shall be as follows:

(1) for employers participating in both family and medical benefit programs, 0.6 percent;

(2) for an employer participating in only the medical benefit program and with an approved private plan for the family benefit program, 0.486 percent; and

(3) for an employer participating in only the family benefit program and with an approved private plan for the medical benefit program, 0.114 percent.

Subd. 6. **Premium rate adjustments.** (a) Beginning January 1, 2026, and each calendar year thereafter, the commissioner must adjust the annual premium rates using the formula in paragraph (b).

(b) To calculate the employer rates for a calendar year, the commissioner must:

(1) multiply 1.45 times the amount disbursed from the family and medical benefit insurance account for the 52-week period ending September 30 of the prior year;

(2) subtract the amount in the family and medical benefit insurance account on that September 30 from the resulting figure;

(3) divide the resulting figure by twice the total wages in covered employment of employees of employers without approved private plans under section 268B.10 for either the family or medical benefit program. For employers with an approved private plan for either the medical benefit program or the family benefit program, but not both, count only the proportion of wages in covered employment associated with the program for which the employer does not have an approved private plan; and

(4) round the resulting figure down to the nearest one-hundredth of one percent.

(c) The commissioner must apportion the premium rate between the family and medical benefit programs based on the relative proportion of expenditures for each program during the preceding year.

Subd. 7. **Deposit of premiums.** All premiums collected under this section must be deposited into the family and medical benefit insurance account.

Subd. 8. **Nonpayment of premiums by employer.** The failure of an employer to pay premiums does not impact the right of an employee to benefits, or any other right, under this chapter.

Sec. 20. **[268B.145] INCOME TAX WITHHOLDING.**

If the Internal Revenue Service determines that benefits are subject to federal income tax, and an applicant elects to have federal income tax deducted and withheld from the applicant's benefits, the commissioner must deduct and withhold the amount specified in the Internal Revenue Code in a manner consistent with state law.

Sec. 21. **[268B.15] COLLECTION OF PREMIUMS.**

Subdivision 1. **Amount computed presumed correct.** Any amount due from an employer, as computed by the commissioner, is presumed to be correctly determined and assessed, and the burden is upon the employer to show its incorrectness. A statement by the commissioner of the amount due is admissible in evidence in any court or administrative proceeding and is prima facie evidence of the facts in the statement.

Subd. 2. **Priority of payments.** (a) Any payment received from an employer must be applied in the following order:

(1) family and medical leave premiums under this chapter; then

(2) interest on past due premiums; then

(3) penalties, late fees, administrative service fees, and costs.

(b) Paragraph (a) is the priority used for all payments received from an employer, regardless of how the employer may designate the payment to be applied, except when:

(1) there is an outstanding lien and the employer designates that the payment made should be applied to satisfy the lien;

(2) the payment is specifically designated by the employer to be applied to an outstanding overpayment of benefits of an applicant;

(3) a court or administrative order directs that the payment be applied to a specific obligation;

(4) a preexisting payment plan provides for the application of payment; or

(5) the commissioner, under the compromise authority of section 268B.16, agrees to apply the payment to a different priority.

Subd. 3. **Estimating the premium due.** Only if an employer fails to make all necessary records available for an audit under section 268B.21 and the commissioner has reason to believe the employer has not reported all the required wages on the quarterly wage detail reports, may the commissioner then estimate the amount of premium due and assess the employer the estimated amount due.

Subd. 4. **Costs.** (a) Any employer and any applicant subject to section 268B.185, subdivision 2, that fails to pay any amount when due under this chapter is liable for any filing fees, recording fees, sheriff fees, costs incurred by referral to any public or private collection agency, or litigation costs, including attorney fees, incurred in the collection of the amounts due.

(b) If any tendered payment of any amount due is not honored when presented to a financial institution for payment, any costs assessed the department by the financial institution and a fee of \$25 must be assessed to the person.

(c) Costs and fees collected under this subdivision are credited to the enforcement account under section 268B.185, subdivision 3.

Subd. 5. **Interest on amounts past due.** If any amounts due from an employer under this chapter are not received on the date due, the commissioner must assess interest on any amount that remains unpaid. Interest is assessed at the rate of one percent per month or any part of a month. Interest is not assessed on unpaid interest. Interest collected under this subdivision is credited to the enforcement account under section 268B.185, subdivision 3.

Subd. 6. **Interest on judgments.** Regardless of section 549.09, if a judgment is entered upon any past due amounts from an employer under this chapter, the unpaid judgment bears interest at the rate specified in subdivision 5 until the date of payment.

Subd. 7. **Credit adjustments; refunds.** (a) If an employer makes an application for a credit adjustment of any amount paid under this chapter within four years of the date that the payment was due, in a manner and format prescribed by the commissioner, and the commissioner determines that the payment or any portion thereof was erroneous, the commissioner must make an adjustment and issue a credit without interest. If a credit cannot be used, the commissioner must refund, without interest, the amount erroneously paid. The commissioner, on the commissioner's own motion, may make a credit adjustment or refund under this subdivision.

(b) Any refund returned to the commissioner is considered unclaimed property under chapter 345.

(c) If a credit adjustment or refund is denied in whole or in part, a determination of denial must be sent to the employer by mail or electronic transmission. The determination of denial is final unless an employer files an appeal within 20 calendar days after sending. Proceedings on the appeal are conducted in accordance with section 268B.08.

(d) If an employer receives a credit adjustment or refund under this section, the employer must determine the amount of any overpayment attributable to a deduction from employee wages under section 268B.14, subdivision 3, and return any amount erroneously deducted to each affected employee.

Subd. 8. **Priorities under legal dissolutions or distributions.** In the event of any distribution of an employer's assets according to an order of any court, including any receivership, assignment for benefit of creditors, adjudicated insolvency, or similar proceeding, premiums then or thereafter due must be paid in full before all other claims except claims for wages of not more than \$1,000 per former employee, earned within six months of the commencement of the proceedings. In the event of an employer's adjudication in bankruptcy under federal law, premiums then or thereafter due are entitled to the priority provided in that law for taxes due in any state.

Sec. 22. **[268B.155] CHILD SUPPORT DEDUCTION FROM BENEFITS.**

Subdivision 1. **Definitions.** As used in this section:

(1) "child support agency" means the public agency responsible for child support enforcement, including federally approved comprehensive Tribal IV-D programs; and

(2) "child support obligations" means obligations that are being enforced by a child support agency in accordance with a plan described in United States Code, title 42, sections 454 and 455 of the Social Security Act that has been approved by the secretary of health and human services under part D of title IV of the Social Security Act. This does not include any type of spousal maintenance or foster care payments.

Subd. 2. **Notice upon application.** In an application for family or medical leave benefits, the applicant must disclose if child support obligations are owed and, if so, in what state and county. If child support obligations are owed, the commissioner must, if the applicant establishes a benefit account, notify the child support agency.

Subd. 3. **Withholding of benefit.** The commissioner must deduct and withhold from any family or medical leave benefits payable to an applicant who owes child support obligations:

(1) the amount required under a proper order of a court or administrative agency; or

(2) if clause (1) is not applicable, the amount determined under an agreement under United States Code, title 42, section 454 (20)(B)(i), of the Social Security Act; or

(3) if clause (1) or (2) is not applicable, the amount specified by the applicant.

Subd. 4. **Payment.** Any amount deducted and withheld must be paid to the child support agency, must for all purposes be treated as if it were paid to the applicant as family or medical leave benefits and paid by the applicant to the child support agency in satisfaction of the applicant's child support obligations.

Subd. 5. **Payment of costs.** The child support agency must pay the costs incurred by the commissioner in the implementation and administration of this section and sections 518A.50 and 518A.53.

Sec. 23. **[268B.16] COMPROMISE.**

(a) The commissioner may compromise in whole or in part any action, determination, or decision that affects only an employer and not an applicant. This paragraph applies if it is determined by a court of law, or a confession of judgment, that an applicant, while employed, wrongfully took from the employer \$500 or more in money or property.

(b) The commissioner may at any time compromise any premium or reimbursement due from an employer under this chapter.

(c) Any compromise involving an amount over \$10,000 must be authorized by an attorney licensed to practice law in Minnesota who is an employee of the department designated by the commissioner for that purpose.

(d) Any compromise must be in the best interest of the state of Minnesota.

Sec. 24. **[268B.17] ADMINISTRATIVE COSTS.**

From July 1, 2023, through December 31, 2023, the commissioner may spend up to seven percent of premiums collected under section 268B.15 for administration of this chapter. Beginning January 1, 2024, and each calendar year thereafter, the commissioner may spend up to seven percent of projected benefit payments for that calendar year for the administration of this chapter. The department may enter into interagency agreements with the Department of Labor and Industry, including agreements to transfer funds, subject to the limit in this section, for the Department of Labor and Industry to fulfill its enforcement authority of this chapter.

Sec. 25. **[268B.18] PUBLIC OUTREACH.**

Beginning in fiscal year 2023, the commissioner must use at least 0.5 percent of revenue collected under this chapter for the purpose of outreach, education, and technical assistance for employees, employers, and self-employed individuals eligible to elect coverage under section 268B.11. The department may enter into interagency agreements with the Department of Labor and Industry, including agreements to transfer funds, subject to the limit in section 268B.17, to accomplish the requirements of this section. At least one-half of the amount spent under this section must be used for grants to community-based groups.

Sec. 26. **[268B.185] BENEFIT OVERPAYMENTS.**

Subdivision 1. **Repaying an overpayment.** (a) Any applicant who (1) because of a determination or amended determination issued under this chapter, or (2) because of a benefit law judge's decision under section 268B.08, has received any family or medical leave benefits that the applicant was held not entitled to, is overpaid the benefits and must promptly repay the benefits to the family and medical benefit insurance account.

(b) If the applicant fails to repay the benefits overpaid, including any penalty and interest assessed under subdivisions 2 and 4, the total due may be collected by the methods allowed under state and federal law.

Subd. 2. **Overpayment because of misrepresentation.** (a) An applicant has committed misrepresentation if the applicant is overpaid benefits by making a false statement or representation without a good faith belief as to the correctness of the statement or representation.

(b) After the discovery of facts indicating misrepresentation, the commissioner must issue a determination of overpayment penalty assessing a penalty equal to 20 percent of the amount overpaid. This penalty is in addition to penalties under section 268B.19.

(c) Unless the applicant files an appeal within 20 calendar days after the sending of a determination of overpayment penalty to the applicant by mail or electronic transmission, the determination is final. Proceedings on the appeal are conducted in accordance with section 268B.08.

(d) A determination of overpayment penalty must state the methods of collection the commissioner may use to recover the overpayment, penalty, and interest assessed. Money received in repayment of overpaid benefits, penalties, and interest is first applied to the benefits overpaid, second to the penalty amount due, and third to any interest due.

(e) The department is authorized to issue a determination of overpayment penalty under this subdivision within 48 months of the establishment of the benefit account upon which the benefits were obtained through misrepresentation.

Subd. 3. **Family and medical benefit insurance enforcement account created.** The family and medical benefit insurance enforcement account is created in the state treasury. Any penalties and interest collected under this section shall be deposited into the account under this subdivision and shall be used only for the purposes of administering and enforcing this chapter. Only the commissioner may authorize expenditures from the account under this subdivision.

Subd. 4. **Interest.** For any family and medical leave benefits obtained by misrepresentation, and any penalty amounts assessed under subdivision 2, the commissioner must assess interest on any amount that remains unpaid beginning 30 calendar days after the date of a determination of overpayment penalty. Interest is assessed at the rate of one percent per month or any part of a month. A determination of overpayment penalty must state that interest will be assessed. Interest is not assessed on unpaid interest. Interest collected under this subdivision is credited to the family and medical benefit insurance enforcement account.

Subd. 5. **Offset of benefits.** The commissioner may offset from any future family and medical leave benefits otherwise payable the amount of a nonmisrepresentation overpayment. Except when the nonmisrepresentation overpayment resulted because the applicant failed to report deductible earnings or deductible or benefit delaying payments, no single offset may exceed 50 percent of the amount of the payment from which the offset is made.

Subd. 6. **Cancellation of overpayments.** (a) If family and medical leave benefits overpaid for reasons other than misrepresentation are not repaid or offset from subsequent benefits within six years after the date of the determination or decision holding the applicant overpaid, the commissioner must cancel the overpayment balance, and no administrative or legal proceedings may be used to enforce collection of those amounts.

(b) If family and medical leave benefits overpaid because of misrepresentation including penalties and interest are not repaid within ten years after the date of the determination of overpayment penalty, the commissioner must cancel the overpayment balance and any penalties and interest due, and no administrative or legal proceeding may be used to enforce collection of those amounts.

(c) The commissioner may cancel at any time any overpayment, including penalties and interest that the commissioner determines is uncollectible because of death or bankruptcy.

Subd. 7. **Court fees; collection fees.** (a) If the department is required to pay any court fees in an attempt to enforce collection of overpaid family and medical leave benefits, penalties, or interest, the amount of the court fees may be added to the total amount due.

(b) If an applicant who has been overpaid family and medical leave benefits because of misrepresentation seeks to have any portion of the debt discharged under the federal bankruptcy code, and the department files an objection in bankruptcy court to the discharge, the cost of any court fees may be added to the debt if the bankruptcy court does not discharge the debt.

(c) If the Internal Revenue Service assesses the department a fee for offsetting from a federal tax refund the amount of any overpayment, including penalties and interest, the amount of the fee may be added to the total amount due. The offset amount must be put in the family and medical benefit insurance enforcement account and that amount credited to the total amount due from the applicant.

Subd. 8. **Collection of overpayments.** (a) The commissioner has discretion regarding the recovery of any overpayment for reasons other than misrepresentation. Regardless of any law to the contrary, the commissioner is not required to refer any overpayment for reasons other than misrepresentation to a public or private collection agency, including agencies of this state.

(b) Amounts overpaid for reasons other than misrepresentation are not considered a "debt" to the state of Minnesota for purposes of any reporting requirements to the commissioner of management and budget.

(c) A pending appeal under section 268B.08 does not suspend the assessment of interest, penalties, or collection of an overpayment.

(d) Section 16A.626 applies to the repayment by an applicant of any overpayment, penalty, or interest.

Sec. 27. **[268B.19] APPLICANT ADMINISTRATIVE PENALTIES.**

(a) Any applicant who makes a false statement or representation without a good faith belief as to the correctness of the statement or representation in order to obtain or in an attempt to obtain benefits may be assessed, in addition to any other penalties, an administrative penalty of being ineligible for benefits for 13 to 104 weeks.

(b) A determination of ineligibility setting out the weeks the applicant is ineligible must be sent to the applicant by mail or electronic transmission. The department is authorized to issue a determination of ineligibility under this subdivision within 48 months of the establishment of the benefit account upon which the benefits were obtained, or attempted to be obtained. Unless an appeal is filed within 20 calendar days of sending, the determination is final. Proceedings on the appeal are conducted in accordance with section 268B.08.

Sec. 28. **[268B.20] EMPLOYER MISCONDUCT; PENALTY.**

(a) The commissioner must penalize an employer if that employer or any employee, officer, or agent of that employer is in collusion with any applicant for the purpose of assisting the applicant in receiving benefits fraudulently. The penalty is \$500 or the amount of benefits determined to be overpaid, whichever is greater.

(b) The commissioner must penalize an employer if that employer or any employee, officer, or agent of that employer:

(1) made a false statement or representation knowing it to be false;

(2) made a false statement or representation without a good-faith belief as to the correctness of the statement or representation; or

(3) knowingly failed to disclose a material fact.

(c) The penalty is the greater of \$500 or 50 percent of the following resulting from the employer's action:

(1) the amount of any overpaid benefits to an applicant;

(2) the amount of benefits not paid to an applicant that would otherwise have been paid; or

(3) the amount of any payment required from the employer under this chapter that was not paid.

(d) Penalties must be paid within 30 calendar days of issuance of the determination of penalty and credited to the family and medical benefit insurance account.

(e) The determination of penalty is final unless the employer files an appeal within 30 calendar days after the sending of the determination of penalty to the employer by United States mail or electronic transmission.

Sec. 29. **[268B.21] RECORDS; AUDITS.**

Subdivision 1. **Employer records; audits.** (a) Each employer must keep true and accurate records on individuals performing services for the employer, containing the information the commissioner may require under this chapter. The records must be kept for a period of not less than four years in addition to the current calendar year.

(b) For the purpose of administering this chapter, the commissioner has the power to audit, examine, or cause to be supplied or copied, any books, correspondence, papers, records, or memoranda that are the property of, or in the possession of, an employer or any other person at any reasonable time and as often as may be necessary. Subpoenas may be issued under section 268B.22 as necessary, for an audit.

(c) An employer or other person that refuses to allow an audit of its records by the department or that fails to make all necessary records available for audit in the state upon request of the commissioner may be assessed an administrative penalty of \$500. The penalty collected is credited to the family and medical benefit insurance account.

(d) An employer, or other person, that fails to provide a weekly breakdown of money earned by an applicant upon request of the commissioner, information necessary for the detection of applicant misrepresentation under section 268B.185, subdivision 2, may be assessed an administrative penalty of \$100. Any notice requesting a weekly breakdown must clearly state that a \$100 penalty may be assessed for failure to provide the information. The penalty collected is credited to the family and medical benefit insurance account.

Subd. 2. **Department records; destruction.** (a) The commissioner may make summaries, compilations, duplications, or reproductions of any records pertaining to this chapter that the commissioner considers advisable for the preservation of the information.

(b) Regardless of any law to the contrary, the commissioner may destroy any records that are no longer necessary for the administration of this chapter. In addition, the commissioner may destroy any record from which the information has been electronically captured and stored.

Sec. 30. **[268B.22] SUBPOENAS; OATHS.**

(a) The commissioner or benefit judge has authority to administer oaths and affirmations, take depositions, certify to official acts, and issue subpoenas to compel the attendance of individuals and the production of documents and other personal property necessary in connection with the administration of this chapter.

(b) Individuals subpoenaed, other than applicants or officers and employees of an employer that is the subject of the inquiry, are paid witness fees the same as witness fees in civil actions in district court. The fees need not be paid in advance.

(c) The subpoena is enforceable through the district court in Ramsey County.

Sec. 31. **[268B.23] LIEN; LEVY; SETOFF; AND CIVIL ACTION.**

Subdivision 1. **Lien.** (a) Any amount due under this chapter, from an applicant or an employer, becomes a lien upon all the property, within this state, both real and personal, of the person liable, from the date of assessment. For the purposes of this section, "date of assessment" means the date the obligation was due.

(b) The lien is not enforceable against any purchaser, mortgagee, pledgee, holder of a Uniform Commercial Code security interest, mechanic's lien, or judgment lien creditor, until a notice of lien has been filed with the county recorder of the county where the property is situated, or in the case of personal property belonging to a nonresident person in the Office of the Secretary of State. When the notice of lien is filed with the county recorder, the fee for filing and indexing is as provided in sections 272.483 and 272.484.

(c) Notices of liens, lien renewals, and lien releases, in a form prescribed by the commissioner, may be filed with the county recorder or the secretary of state by mail, personal delivery, or electronic transmission into the computerized filing system of the secretary of state. The secretary of state must, on any notice filed with that office, transmit the notice electronically to the appropriate county recorder. The filing officer, whether the county recorder or the secretary of state, must endorse and index a printout of the notice as if the notice had been mailed or delivered.

(d) County recorders and the secretary of state must enter information on lien notices, renewals, and releases into the central database of the secretary of state. For notices filed electronically with the county recorders, the date and time of receipt of the notice and county recorder's file number, and for notices filed electronically with the secretary of state, the secretary of state's recording information, must be entered into the central database before the close of the working day following the day of the original data entry by the commissioner.

(e) The lien imposed on personal property, even though properly filed, is not enforceable against a purchaser of tangible personal property purchased at retail or personal property listed as exempt in sections 550.37, 550.38, and 550.39.

(f) A notice of lien filed has priority over any security interest arising under chapter 336, article 9, that is perfected prior in time to the lien imposed by this subdivision, but only if:

(1) the perfected security interest secures property not in existence at the time the notice of lien is filed; and

(2) the property comes into existence after the 45th calendar day following the day the notice of lien is filed, or after the secured party has actual notice or knowledge of the lien filing, whichever is earlier.

(g) The lien is enforceable from the time the lien arises and for ten years from the date of filing the notice of lien. A notice of lien may be renewed before expiration for an additional ten years.

(h) The lien is enforceable by levy under subdivision 2 or by judgment lien foreclosure under chapter 550.

(i) The lien may be imposed upon property defined as homestead property in chapter 510 but may be enforced only upon the sale, transfer, or conveyance of the homestead property.

(j) The commissioner may sell and assign to a third party the commissioner's right of redemption in specific real property for liens filed under this subdivision. The assignee is limited to the same rights of redemption as the commissioner, except that in a bankruptcy proceeding, the assignee does not obtain the commissioner's priority. Any proceeds from the sale of the right of redemption are credited to the family and medical benefit insurance account.

Subd. 2. Levy. (a) If any amount due under this chapter, from an applicant or an employer, is not paid when due, the amount may be collected by the commissioner by direct levy upon all property and rights of property of the person liable for the amount due except property exempt from execution under section 550.37. For the purposes of this section, "levy" includes the power of distraint and seizure by any means.

(b) In addition to a direct levy, the commissioner may issue a warrant to the sheriff of any county who must proceed within 60 calendar days to levy upon the property or rights to property of the delinquent person within the county, except property exempt under section 550.37. The sheriff must sell that property necessary to satisfy the total amount due, together with the commissioner's and sheriff's costs. The sales are governed by the law applicable to sales of like property on execution of a judgment.

(c) Notice and demand for payment of the total amount due must be mailed to the delinquent person at least ten calendar days before action being taken under paragraphs (a) and (b).

(d) If the commissioner has reason to believe that collection of the amount due is in jeopardy, notice and demand for immediate payment may be made. If the total amount due is not paid, the commissioner may proceed to collect by direct levy or issue a warrant without regard to the ten calendar day period.

(e) In executing the levy, the commissioner must have all of the powers provided in chapter 550 or any other law that provides for execution against property in this state. The sale of property levied upon and the time and manner of redemption is as provided in chapter 550. The seal of the court is not required. The levy may be made whether or not the commissioner has commenced a legal action for collection.

(f) Where any assessment has been made by the commissioner, the property seized for collection of the total amount due must not be sold until any determination of liability has become final. No sale may be made unless a portion of the amount due remains unpaid for a period of more than 30 calendar days after the determination of liability becomes final. Seized property may be sold at any time if:

(1) the delinquent person consents in writing to the sale; or

(2) the commissioner determines that the property is perishable or may become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense.

(g) Where a levy has been made to collect the amount due and the property seized is properly included in a formal proceeding commenced under sections 524.3-401 to 524.3-505 and maintained under full supervision of the court, the property may not be sold until the probate proceedings are completed or until the court orders.

(h) The property seized must be returned if the owner:

(1) gives a surety bond equal to the appraised value of the owner's interest in the property, as determined by the commissioner; or

(2) deposits with the commissioner security in a form and amount the commissioner considers necessary to insure payment of the liability.

(i) If a levy or sale would irreparably injure rights in property that the court determines superior to rights of the state, the court may grant an injunction to prohibit the enforcement of the levy or to prohibit the sale.

(j) Any person who fails or refuses to surrender without reasonable cause any property or rights to property subject to levy is personally liable in an amount equal to the value of the property or rights not so surrendered, but not exceeding the amount due.

(k) If the commissioner has seized the property of any individual, that individual may, upon giving 48 hours notice to the commissioner and to the court, bring a claim for equitable relief before the district court for the release of the property upon terms and conditions the court considers equitable.

(l) Any person in control or possession of property or rights to property upon which a levy has been made who surrenders the property or rights to property, or who pays the amount due is discharged from any obligation or liability to the person liable for the amount due with respect to the property or rights to property.

(m) The notice of any levy may be served personally or by mail.

(n) The commissioner may release the levy upon all or part of the property or rights to property levied upon if the commissioner determines that the release will facilitate the collection of the liability, but the release does not prevent any subsequent levy. If the commissioner determines that property has been wrongfully levied upon, the commissioner must return:

(1) the specific property levied upon, at any time; or

(2) an amount of money equal to the amount of money levied upon, at any time before the expiration of nine months from the date of levy.

(o) Regardless of section 52.12, a levy upon a person's funds on deposit in a financial institution located in this state, has priority over any unexercised right of setoff of the financial institution to apply the levied funds toward the balance of an outstanding loan or loans owed by the person to the financial institution. A claim by the financial institution that it exercised its right to setoff before the levy must be substantiated by evidence of the date of the setoff, and verified by an affidavit from a corporate officer of the financial institution. For purposes of determining the priority of any levy under this subdivision, the levy is treated as if it were an execution under chapter 550.

Subd. 3. **Right of setoff.** (a) Upon certification by the commissioner to the commissioner of management and budget, or to any state agency that disburses its own funds, that a person, applicant, or employer has a liability under this chapter, and that the state has purchased personal services, supplies, contract services, or property from that person, the commissioner of management and budget or the state agency must set off and pay to the commissioner an amount sufficient to satisfy the unpaid liability from funds appropriated for payment of the obligation of the state otherwise due the person. No amount may be set off from any funds exempt under section 550.37 or funds due an individual who receives assistance under chapter 256.

(b) All funds, whether general or dedicated, are subject to setoff.

(c) Regardless of any law to the contrary, the commissioner has first priority to setoff from any funds otherwise due from the department to a delinquent person.

Subd. 4. **Collection by civil action.** (a) Any amount due under this chapter, from an applicant or employer, may be collected by civil action in the name of the state of Minnesota. Civil actions brought under this subdivision must be heard as provided under section 16D.14. In any action, judgment must be entered in default for the relief demanded in the complaint without proof, together with costs and disbursements, upon the filing of an affidavit of default.

(b) Any person that is not a resident of this state and any resident person removed from this state, is considered to appoint the secretary of state as its agent for the acceptance of process in any civil action. The commissioner must file process with the secretary of state, together with a payment of a fee of \$15 and that service is considered sufficient service and has the same force and validity as if served personally within this state. Notice of the service of process, together with a copy of the process, must be sent by certified mail to the person's last known address. An affidavit of compliance with this subdivision, and a copy of the notice of service must be appended to the original of the process and filed in the court.

(c) No court filing fees, docketing fees, or release of judgment fees may be assessed against the state for actions under this subdivision.

Subd. 5. **Injunction forbidden.** No injunction or other legal action to prevent the determination, assessment, or collection of any amounts due under this chapter, from an applicant or employer, are allowed.

Sec. 32. **[268B.24] CONCILIATION SERVICES.**

The Department of Labor and Industry may offer conciliation services to employers and employees to resolve disputes concerning alleged violations of employment protections identified in section 268B.09.

Sec. 33. **[268B.25] ANNUAL REPORTS.**

(a) Beginning on or before December 1, 2023, the commissioner must annually report to the Department of Management and Budget and the house of representatives and senate committee chairs with jurisdiction over this chapter on program administrative expenditures and revenue collection for the prior fiscal year, including but not limited to:

(1) total revenue raised through premium collection;

(9) adequacy and use of the private plan approval and oversight fee.

(b) Beginning on or before December 1, 2023, the commissioner must annually publish a publicly available report providing the following information for the previous fiscal year:

(1) total eligible claims;

(2) the number and percentage of claims attributable to each category of benefit;

(3) claimant demographics by age, gender, average weekly wage, occupation, and the type of leave taken;

(4) the percentage of claims denied and the reasons therefor, including but not limited to insufficient information and ineligibility and the reason therefor;

Sec. 34. **[268B.26] NOTICE REQUIREMENTS.**

(a) Each employer must post in a conspicuous place on each of its premises a workplace notice prepared or approved by the commissioner providing notice of benefits available under this chapter. The required workplace notice must be in English and each language other than English which is the primary language of five or more employees or independent contractors of that workplace, if such notice is available from the department.

(b) Each employer must issue to each employee not more than 30 days from the beginning date of the employee's employment, or 30 days before premium collection begins, whichever is later, the following written information provided or approved by the department in the primary language of the employee:

(1) an explanation of the availability of family and medical leave benefits provided under this chapter, including rights to reinstatement and continuation of health insurance;

(c) Each employer shall provide to each independent contractor with whom it contracts, at the time such contract is made or, for existing contracts, within 30 days of the effective date of this section, the following written information provided or approved by the department in the self-employed individual's primary language:

- (1) the address and telephone number of the department; and

The employer shall have the burden of demonstrating compliance with this section.

(e) Employer notice to an employee under this section may be provided in paper or electronic format. Subd. 2. **Construction.** Nothing in this chapter shall be construed to:

- (1) allow an employer to compel an employee to exhaust accumulated sick, vacation, or personal time before or while taking leave under this chapter;
- (2) except as provided under section 268B.01, subdivision 37, prohibit an employer from providing additional benefits, including but not limited to covering the portion of earnings not provided under this chapter during periods of leave covered under this chapter; or
- (3) limit the parties to a collective bargaining agreement from bargaining and agreeing with respect to leave benefits and related procedures and employee protections that meet or exceed, and do not otherwise conflict with, the minimum standards and requirements in this chapter.

Sec. 36. **[268B.28] SEVERABLE.**

If the United States Department of Labor or a court of competent jurisdiction determines that any provision of the family and medical benefit insurance program under this chapter is not in conformity with, or is inconsistent with, the requirements of federal law, the provision has no force or effect. If only a portion of the provision, or the application to any person or circumstances, is determined not in conformity, or determined inconsistent, the remainder of the provision and the application of the provision to other persons or circumstances are not affected.

Sec. 37. **[268B.29] SMALL BUSINESS ASSISTANCE GRANTS.**

(a) Employers with 50 or fewer employees may apply to the department for grants under this section.

Subd. 7. **School employees; between terms denial.** (a) Wage credits from employment with an educational institution or institutions may not be used for unemployment benefit purposes for any week during the period between two successive academic years or terms if:

(1) the applicant had employment for an educational institution or institutions in the prior academic year or term; and

This paragraph applies to a vacation period or holiday recess if the applicant was employed immediately before the vacation period or holiday recess, and there is a reasonable assurance that the applicant will be employed immediately following the vacation period or holiday recess. This paragraph also applies to the period between two regular but not successive terms if there is an agreement for that schedule between the applicant and the educational institution.

This paragraph does not apply if the subsequent employment is substantially less favorable than the employment of the prior academic year or term, or the employment prior to the vacation period or holiday recess.

(b) Paragraph (a) does not apply to:

(1) an applicant who, at the end of the prior academic year or term, had an agreement for a definite period of employment between academic years or terms in other than an instructional, research, or principal administrative capacity and the educational institution or institutions failed to provide that employment; or

(2) an applicant in a position for which no license is required by the Professional Educator Licensing and Standards Board or the Board of School Administrators.

(c) If unemployment benefits are denied to any applicant under paragraph (a) who was employed in the prior academic year or term in other than an instructional, research, or principal administrative capacity and who was not offered an opportunity to perform the employment in the following academic year or term, the applicant is entitled to retroactive unemployment benefits for each week during the period between academic years or terms that the applicant filed a timely continued request for unemployment benefits, but unemployment benefits were denied solely because of paragraph (a).

Sec. 5. Minnesota Statutes 2020, section 268.101, subdivision 2, is amended to read:

Subd. 2. **Determination.** (a) The commissioner must determine any issue of ineligibility raised by information required from an applicant under subdivision 1, paragraph (a) or (c), and send to the applicant and any involved employer, by mail or electronic transmission, a document titled a determination of eligibility or a determination of ineligibility, as is appropriate. The determination on an issue of ineligibility as a result of a quit or a discharge of the applicant must state the effect on the employer under section 268.047. A determination must be made in accordance with this paragraph even if a notified employer has not raised the issue of ineligibility.

(b) The commissioner must determine any issue of ineligibility raised by an employer and send to the applicant and that employer, by mail or electronic transmission, a document titled a determination of eligibility or a determination of ineligibility as is appropriate. then any exception under section 268.047, subdivisions 2 and 3, begins the Sunday two weeks following the week that the issue of ineligibility as a result of a quit or discharge of the applicant was raised by the employer.

A communication from an employer must specifically set out why the applicant should be determined ineligible for unemployment benefits for that communication to be considered to have raised an issue of ineligibility for purposes of this section. A statement of "protest" or a similar term without more information does not constitute raising an issue of ineligibility for purposes of this section.

(c) Subject to section 268.031, an issue of ineligibility is determined based upon that information required of an applicant, any information that may be obtained from an applicant or employer, and information from any other source.

(d) Regardless of the requirements of this subdivision, the commissioner is not required to send to an applicant a copy of the determination where the applicant has satisfied a period of ineligibility because of a quit or a discharge under section 268.095, subdivision 10.

(e) The department is authorized to issue a determination on an issue of ineligibility within 24 months from the establishment of a benefit account based upon information from any source, even if the issue of ineligibility was not raised by the applicant or an employer.

If an applicant obtained unemployment benefits through misrepresentation under section 268.18, subdivision 2, the department is authorized to issue a determination of ineligibility within 48 months of the establishment of the benefit account.

If the department has filed an intervention in a worker's compensation matter under section 176.361, the department is authorized to issue a determination of ineligibility within 48 months of the establishment of the benefit account.

(f) A determination of eligibility or determination of ineligibility is final unless an appeal is filed by the applicant or employer within ~~20~~ 60 calendar days after sending. The determination must contain a prominent statement indicating the consequences of not appealing. Proceedings on the appeal are conducted in accordance with section 268.105.

(g) An issue of ineligibility required to be determined under this section includes any question regarding the denial or allowing of unemployment benefits under this chapter except for issues under section 268.07. An issue of ineligibility for purposes of this section includes any question of effect on an employer under section 268.047.

Subdivision 1. **Adoption of code.** (a) Subject to paragraphs (c) and (d) and sections 326B.101 to 326B.194, the commissioner shall by rule and in consultation with the Construction Codes Advisory Council establish a code of standards for the construction, reconstruction, alteration, and repair of buildings, governing matters of structural materials, design and construction, fire protection, health, sanitation, and safety, including design and construction standards regarding heat loss control, illumination, and climate control. The code must also include duties and responsibilities for code administration, including procedures for administrative action, penalties, and suspension and revocation of certification. The code must conform insofar as practicable to model building codes generally accepted and in use throughout the United States, including a code for building conservation. In the preparation of the code, consideration must be given to the existing statewide specialty codes presently in use in the state. Model codes with necessary modifications and statewide specialty codes may be adopted by reference. The code must be based on the application of scientific principles, approved tests, and professional judgment. To the extent possible, the code must be adopted in terms of desired results instead of the means of achieving those results, avoiding wherever possible the incorporation of specifications of particular methods or materials. To that end the code must encourage the use of new methods and new materials. Except as otherwise provided in sections 326B.101 to 326B.194, the commissioner shall administer and enforce the provisions of those sections.

(b) The commissioner shall develop rules addressing the plan review fee assessed to similar buildings without significant modifications including provisions for use of building systems as specified in the industrial/modular program specified in section 326B.194. Additional plan review fees associated with similar plans must be based on costs commensurate with the direct and indirect costs of the service.

(c) Beginning with the 2018 edition of the model building codes and every six years thereafter, the commissioner shall review the new model building codes and adopt the model codes as amended for use in Minnesota, within two years of the published edition date. The commissioner may adopt amendments to the building codes prior to the adoption of the new building codes to advance construction methods, technology, or materials, or, where necessary to protect the health, safety, and welfare of the public, or to improve the efficiency or the use of a building.

(d) Notwithstanding paragraph (c), the commissioner shall act on each new model residential energy code and the new model commercial energy code in accordance with federal law for which the United States Department of Energy has issued an affirmative determination in compliance with United States Code, title 42, section 6833. Beginning in 2022, the commissioner shall act on the new model commercial energy code by adopting each new

published edition of ASHRAE 90.1 or a more efficient standard, and amending it as necessary to achieve a minimum of eight percent energy efficiency with each edition, as measured against energy consumption by an average building in each applicable building sector in 2003. These amendments must achieve a net zero energy standard for new commercial buildings by 2036 and thereafter. The commissioner may adopt amendments prior to adoption of the new energy codes, as amended for use in Minnesota, to advance construction methods, technology, or materials, or, where necessary to protect the health, safety, and welfare of the public, or to improve the efficiency or use of a building.

Sec. 25. Minnesota Statutes 2020, section 326B.89, subdivision 1, is amended to read:

The commissioner shall not pay compensation from the fund to owners and lessees in an amount that totals more than ~~\$300,000~~ \$800,000 per licensee. The commissioner shall only pay compensation from the fund for a final judgment that is based on a contract directly between the licensee and the homeowner or lessee that was entered into prior to the cause of action and that requires licensure as a residential building contractor or residential remodeler.

Sec. 27. Minnesota Statutes 2020, section 326B.89, subdivision 9, is amended to read:

Subd. 9. **Satisfaction of applications for compensation.** The commissioner shall pay compensation from the fund to an owner or a lessee pursuant to the terms of an agreement that has been entered into under subdivision 7, clause (1), or pursuant to a final order that has been issued under subdivision 7, clause (2), or subdivision 8 by December 1 of the fiscal year following the fiscal year during which the agreement was entered into or during which the order became final, subject to the limitations of this section. ~~At the end of each fiscal year the commissioner shall calculate the amount of compensation to be paid from the fund pursuant to agreements that have been entered~~

The commissioner shall mail notice of the allocation to all owners and lessees not less than 45 days following the end of the fiscal year. 31 for applications submitted by July 1 or June 30 for applications submitted by January 1 of the fiscal year. The commissioner shall not pay compensation to owners or lessees that totals more than \$400,000 per licensee during Cycle One of a fiscal year nor shall the commissioner pay out during Cycle One if the payout will result in the exhaustion of a licensee's fund. If compensation paid to owners or lessees in Cycle One would total more than \$400,000 or would result in exhaustion of a licensee's fund in Cycle One, the commissioner shall not make a final determination of compensation for claims against the licensee until the completion of Cycle Two. If the claims against a licensee for the fiscal year result in the exhaustion of a licensee's fund or the fund as a whole, the commissioner must prorate the amount available among the owners and lessees based on the amount agreed to or ordered to be paid to each owner or lessee. The commissioner shall mail notice of the proration to all owners and lessees no later than March 31 of the current fiscal year. Any compensation paid by the commissioner in accordance with this subdivision shall be deemed to satisfy and extinguish any right to compensation from the fund based upon the verified application of the owner or lessee.~~

(ii) obtain services from a victim services organization;

(iii) obtain psychological or other counseling;

(iv) seek relocation due to domestic abuse, sexual assault, or stalking; or

(v) seek legal advice or take legal action, including preparing for or participating in any civil or criminal legal proceeding related to or resulting from domestic abuse, sexual assault, or stalking;

(5) when it has been determined by the health authorities having jurisdiction or by a health care professional that the presence of the employee or family member of the employee in the community would jeopardize the health of others because of the exposure of the employee or family member of the employee to a communicable disease, whether or not the employee or family member has actually contracted the communicable disease.

Subd. 2. **Notice.** An employer may require notice of the need for use of earned sick and safe time as provided in this paragraph. If the need for use is foreseeable, an employer may require advance notice of the intention to use earned sick and safe time but must not require more than seven days' advance notice. If the need is unforeseeable, an employer may require an employee to give notice of the need for earned sick and safe time as soon as practicable.

Subd. 3. **Documentation.** When an employee uses earned sick and safe time for more than three consecutive days, an employer may require reasonable documentation that the earned sick and safe time is covered by subdivision 1. For earned sick and safe time under subdivision 1, clauses (1) and (2), reasonable documentation may include a signed statement by a health care professional indicating the need for use of earned sick and safe time. For earned sick and safe time under subdivision 1, clause (3), an employer must accept a court record or documentation signed by a volunteer or employee of a victims services organization, an attorney, a police officer, or an antiviolence counselor as reasonable documentation. An employer must not require disclosure of details relating to domestic abuse, sexual assault, or stalking or the details of an employee's or an employee's family member's medical condition as related to an employee's request to use earned sick and safe time under this section.

Subd. 4. **Replacement worker.** An employer may not require, as a condition of an employee using earned sick and safe time, that the employee seek or find a replacement worker to cover the hours the employee uses as earned sick and safe time.

Subd. 5. **Increment of time used.** Earned sick and safe time may be used in the smallest increment of time tracked by the employer's payroll system, provided such increment is not more than four hours.

Subd. 6. **Retaliation prohibited.** An employer shall not take retaliatory personnel action against an employee because the employee has requested earned sick and safe time, used earned sick and safe time, requested a statement of accrued sick and safe time, or made a complaint or filed an action to enforce a right to earned sick and safe time under this section.

Subd. 7. **Reinstatement to comparable position after leave.** An employee returning from a leave under this section is entitled to return to employment in a comparable position. If, during a leave under this section, the employer experiences a layoff and the employee would have lost a position had the employee not been on leave,

pursuant to the good faith operation of a bona fide layoff and recall system, including a system under a collective bargaining agreement, the employee is not entitled to reinstatement in the former or comparable position. In such circumstances, the employee retains all rights under the layoff and recall system, including a system under a collective bargaining agreement, as if the employee had not taken the leave.

Subd. 8. Pay and benefits after leave. An employee returning from a leave under this section is entitled to return to employment at the same rate of pay the employee had been receiving when the leave commenced, plus any automatic adjustments in the employee's pay scale that occurred during the leave period. The employee returning from a leave is entitled to retain all accrued preleave benefits of employment and seniority as if there had been no interruption in service, provided that nothing under this section prevents the accrual of benefits or seniority during the leave pursuant to a collective bargaining or other agreement between the employer and employees.

Subd. 9. Part-time return from leave. An employee, by agreement with the employer, may return to work part time during the leave period without forfeiting the right to return to employment at the end of the leave, as provided under this section.

Subd. 10. Notice and posting by employer. (a) Employers must give notice to all employees that they are entitled to earned sick and safe time, including the amount of earned sick and safe time, the accrual year for the employee, and the terms of its use under this section; that retaliation against employees who request or use earned sick and safe time is prohibited; and that each employee has the right to file a complaint or bring a civil action if earned sick and safe time is denied by the employer or the employee is retaliated against for requesting or using earned sick and safe time.

(b) Employers must supply employees with a notice in English and other appropriate languages that contains the information required in paragraph (a) at commencement of employment or the effective date of this section, whichever is later.

(c) The means used by the employer must be at least as effective as the following options for providing notice:

(1) posting a copy of the notice at each location where employees perform work and where the notice must be readily observed and easily reviewed by all employees performing work; or

(2) providing a paper or electronic copy of the notice to employees.

The notice must contain all information required under paragraph (a). The commissioner shall create and make available to employers a poster and a model notice that contains the information required under paragraph (a) for their use in complying with this section.

(d) An employer that provides an employee handbook to its employees must include in the handbook notice of employee rights and remedies under this section.

Subd. 11. Required statement to employee. (a) Upon request of the employee, the employer must provide, in writing or electronically, current information stating the employee's amount of:

(1) earned sick and safe time available to the employee; and

(2) used earned sick and safe time.

(b) Employers may choose a reasonable system for providing the information in paragraph (a), including but not limited to listing information on each pay stub or developing an online system where employees can access their own information.

Subd. 12. **Employer records.** (a) Employers shall retain accurate records documenting hours worked by employees and earned sick and safe time taken and comply with all requirements under section 177.30.

(b) An employer must allow an employee to inspect records required by this section and relating to that employee at a reasonable time and place.

Subd. 13. **Confidentiality and nondisclosure.** (a) If, in conjunction with this section, an employer possesses:

(1) health or medical information regarding an employee or an employee's family member;

(2) information pertaining to domestic abuse, sexual assault, or stalking;

(3) information that the employee has requested or obtained leave under this section; or

(4) any written or oral statement, documentation, record, or corroborating evidence provided by the employee or an employee's family member, the employer must treat such information as confidential.

Information given by an employee may only be disclosed by an employer if the disclosure is requested or consented to by the employee, when ordered by a court or administrative agency, or when otherwise required by federal or state law.

(b) Records and documents relating to medical certifications, recertifications, or medical histories of employees or family members of employees created for purposes of section 177.50 or sections 181.9445 to 181.9448 must be maintained as confidential medical records separate from the usual personnel files. At the request of the employee, the employer must destroy or return the records required by sections 181.9445 to 181.9448 that are older than three years prior to the current calendar year.

(c) Employers must not discriminate against any employee based on records created for the purposes of section 177.50 or sections 181.9445 to 181.9448.

Sec. 5. [181.9448] EFFECT ON OTHER LAW OR POLICY.

Subdivision 1. **No effect on more generous sick and safe time policies.** (a) Nothing in sections 181.9445 to 181.9448 shall be construed to discourage employers from adopting or retaining earned sick and safe time policies that meet or exceed, and do not otherwise conflict with, the minimum standards and requirements provided in sections 181.9445 to 181.9447.

(b) Nothing in sections 181.9445 to 181.9447 shall be construed to limit the right of parties to a collective bargaining agreement to bargain and agree with respect to earned sick and safe time policies or to diminish the obligation of an employer to comply with any contract, collective bargaining agreement, or any employment benefit program or plan that meets or exceeds, and does not otherwise conflict with, the minimum standards and requirements provided in this section.

(c) Employers who provide earned sick and safe time to their employees under a paid time off policy or other paid leave policy that meets or exceeds, and does not otherwise conflict with, the minimum standards and requirements provided in sections 181.9445 to 181.9448 are not required to provide additional earned sick and safe time.

(d) An employer may opt to satisfy the requirements of sections 181.9445 to 181.9448 for construction industry employees by:

(1) paying at least the prevailing wage rate as defined by section 177.42 and as calculated by the Department of Labor and Industry; or

(2) paying at least the required rate established in a registered apprenticeship agreement for apprentices registered with the Department of Labor and Industry.

An employer electing this option is deemed to be in compliance with sections 181.9445 to 181.9448 for construction industry employees who receive either at least the prevailing wage rate or the rate required in the applicable apprenticeship agreement regardless of whether the employees are working on private or public projects.

(e) Sections 181.9445 to 181.9448 do not prohibit an employer from establishing a policy whereby employees may donate unused accrued sick and safe time to another employee.

(f) Sections 181.9445 to 181.9448 do not prohibit an employer from advancing sick and safe time to an employee before accrual by the employee.

Subd. 2. **Termination; separation; transfer.** Sections 181.9445 to 181.9448 do not require financial or other reimbursement to an employee from an employer upon the employee's termination, resignation, retirement, or other separation from employment for accrued earned sick and safe time that has not been used. If an employee is transferred to a separate division, entity, or location, but remains employed by the same employer, the employee is entitled to all earned sick and safe time accrued at the prior division, entity, or location and is entitled to use all earned sick and safe time as provided in sections 181.9445 to 181.9448. When there is a separation from employment and the employee is rehired within 180 days of separation by the same employer, previously accrued earned sick and safe time that had not been used must be reinstated. An employee is entitled to use accrued earned sick and safe time and accrue additional earned sick and safe time at the commencement of reemployment.

Subd. 3. **Employer succession.** (a) When a different employer succeeds or takes the place of an existing employer, all employees of the original employer who remain employed by the successor employer are entitled to all earned sick and safe time accrued but not used when employed by the original employer, and are entitled to use all earned sick and safe time previously accrued but not used.

(b) If, at the time of transfer of the business, employees are terminated by the original employer and hired within 30 days by the successor employer following the transfer, those employees are entitled to all earned sick and safe time accrued but not used when employed by the original employer, and are entitled to use all earned sick and safe time previously accrued but not used.

Sec. 6. **REPEALER.**

Minnesota Statutes 2020, section 181.9413, is repealed.

Sec. 7. **EFFECTIVE DATE.**

This article is effective 180 days following final enactment.

EARNED SICK AND SAFE TIME ENFORCEMENT

Section 1. Minnesota Statutes 2020, section 177.27, subdivision 2, is amended to read:

Subd. 2. **Submission of records; penalty.** The commissioner may require the employer of employees working in the state to submit to the commissioner photocopies, certified copies, or, if necessary, the originals of employment records which the commissioner deems necessary or appropriate. The records which may be required include full and correct statements in writing, including sworn statements by the employer, containing information relating to wages, hours, names, addresses, and any other information pertaining to the employer's employees and the conditions of their employment as the commissioner deems necessary or appropriate.

The commissioner may require the records to be submitted by certified mail delivery or, if necessary, by personal delivery by the employer or a representative of the employer, as authorized by the employer in writing.

The commissioner may fine the employer up to ~~\$1,000~~ \$10,000 for each failure to submit or deliver records as required by this section, ~~and up to \$5,000 for each repeated failure.~~ This penalty is in addition to any penalties provided under section 177.32, subdivision 1. In determining the amount of a civil penalty under this subdivision, the appropriateness of such penalty to the size of the employer's business and the gravity of the violation shall be considered.

Sec. 2. Minnesota Statutes 2020, section 177.27, subdivision 4, is amended to read:

Subd. 4. **Compliance orders.** The commissioner may issue an order requiring an employer to comply with sections 177.21 to 177.435, 181.02, 181.03, 181.031, 181.032, 181.101, 181.11, 181.13, 181.14, 181.145, 181.15, 181.172, paragraph (a) or (d), 181.275, subdivision 2a, 181.722, 181.79, ~~and~~ 181.939 to 181.943, and 181.9445 to 181.9448, or with any rule promulgated under section 177.28. The commissioner shall issue an order requiring an employer to comply with sections 177.41 to 177.435 if the violation is repeated. For purposes of this subdivision only, a violation is repeated if at any time during the two years that preceded the date of violation, the commissioner issued an order to the employer for violation of sections 177.41 to 177.435 and the order is final or the commissioner and the employer have entered into a settlement agreement that required the employer to pay back wages that were required by sections 177.41 to 177.435. The department shall serve the order upon the employer or the employer's authorized representative in person or by certified mail at the employer's place of business. An employer who wishes to contest the order must file written notice of objection to the order with the commissioner within 15 calendar days after being served with the order. A contested case proceeding must then be held in accordance with sections 14.57 to 14.69. If, within 15 calendar days after being served with the order, the employer fails to file a written notice of objection with the commissioner, the order becomes a final order of the commissioner.

Sec. 3. Minnesota Statutes 2020, section 177.27, subdivision 7, is amended to read:

Subd. 7. **Employer liability.** If an employer is found by the commissioner to have violated a section identified in subdivision 4, or any rule adopted under section 177.28, and the commissioner issues an order to comply, the commissioner shall order the employer to cease and desist from engaging in the violative practice and to take such affirmative steps that in the judgment of the commissioner will effectuate the purposes of the section or rule violated. The commissioner shall order the employer to pay to the aggrieved parties back pay, gratuities, and compensatory damages, less any amount actually paid to the employee by the employer, and for an additional equal amount as liquidated damages. Any employer who is found by the commissioner to have repeatedly or willfully violated a section or sections identified in subdivision 4 shall be subject to a civil penalty of up to ~~\$1,000~~ \$10,000 for each violation for each employee. In determining the amount of a civil penalty under this subdivision, the appropriateness of such penalty to the size of the employer's business and the gravity of the violation shall be considered. In addition, the commissioner may order the employer to reimburse the department and the attorney general for all appropriate litigation and hearing costs expended in preparation for and in conducting the contested case proceeding, unless payment of costs would impose extreme financial hardship on the employer. If the employer is able to establish extreme financial hardship, then the commissioner may order the employer to pay a percentage of the total costs that will not cause extreme financial hardship. Costs include but are not limited to the costs of services rendered by the attorney general, private attorneys if engaged by the department, administrative law judges, court reporters, and expert witnesses as well as the cost of transcripts. Interest shall accrue on, and be added to, the unpaid balance of a commissioner's order from the date the order is signed by the commissioner until it is paid, at an annual rate provided in section 549.09, subdivision 1, paragraph (c). The commissioner may establish escrow accounts for purposes of distributing damages.

Sec. 4. **[177.50] EARNED SICK AND SAFE TIME ENFORCEMENT.**

Subdivision 1. Definitions. The definitions in section 181.9445 apply to this section.

Subd. 2. Rulemaking authority. The commissioner may adopt rules to carry out the purposes of this section and sections 181.9445 to 181.9448.

Subd. 3. Individual remedies. In addition to any other remedies provided by law, a person injured by a violation of sections 181.9445 to 181.9448 may bring a civil action to recover general and special damages, along with costs, fees, and reasonable attorney fees, and may receive injunctive and other equitable relief as determined by a court. An action to recover damages under this subdivision must be commenced within three years of the violation of sections 181.9445 to 181.9448 that caused the injury to the employee.

Subd. 4. Grants to community organizations. The commissioner may make grants to community organizations for the purpose of outreach to and education for employees regarding their rights under sections 181.9445 to 181.9448. The community-based organizations must be selected based on their experience, capacity, and relationships in high-violation industries. The work under such a grant may include the creation and administration of a statewide worker hotline.

Subd. 5. Report to legislature. (a) The commissioner must submit an annual report to the legislature, including to the chairs and ranking minority members of any relevant legislative committee. The report must include, but is not limited to:

(1) a list of all violations of sections 181.9445 to 181.9448, including the employer involved, and the nature of any violations; and

(2) an analysis of noncompliance with sections 181.9445 to 181.9448, including any patterns by employer, industry, or county.

(b) A report under this section must not include an employee's name or other identifying information, any health or medical information regarding an employee or an employee's family member, or any information pertaining to domestic abuse, sexual assault, or stalking of an employee or an employee's family member.

Subd. 6. Contract for labor or services. It is the responsibility of all employers to not enter into any contract or agreement for labor or services where the employer has any actual knowledge or knowledge arising from familiarity with the normal facts and circumstances of the business activity engaged in, or has any additional facts or information that, taken together, would make a reasonably prudent person undertake to inquire whether, taken together, the contractor is not complying or has failed to comply with this section. For purposes of this subdivision, "actual knowledge" means information obtained by the employer that the contractor has violated this section within the past two years and has failed to present the employer with credible evidence that such noncompliance has been cured going forward.

EFFECTIVE DATE. This section is effective 180 days after final enactment.

This subdivision also applies to any employee who mistakenly, but in good faith, alleges noncompliance with these sections.

Subd. 4. **Collective bargaining rights.** (a) All of the provisions in sections 1 to 4 may be waived in a valid collective bargaining agreement, but only if the waiver is explicitly set forth in that agreement in clear and unambiguous terms. Unilateral implementation of terms and conditions of employment by either party to a collective bargaining relationship shall not constitute or be permitted as a waiver of all or any part of the provisions of sections 1 to 4.

(b) Nothing in sections 1 to 4 limits the right of employees to bargain collectively with their employers through representatives of their own choosing to establish retention or rehiring conditions more favorable to the employees than those required by these sections.

Sec. 3. **ENFORCEMENT AND COMPLIANCE.**

Subdivision 1. **Enforcement.** (a) An employee, including any eligible employee, may file an action in the Minnesota District Court, or may file a complaint with the Department of Labor and Industry, Labor Standards and Apprenticeship Division, against the employer, or in the case of a violation of section 2, subdivision 2, incumbent employer or the successor employer, for violations of section 2, and may be awarded any or all of the following, as appropriate:

(1) hiring and reinstatement rights pursuant to section 2, with the 90-day transition employment period not commencing until the eligible employee's employment commencement date with the successor employer;

(2) front pay or back pay for each day during which the violation continues, which shall be calculated at a rate of compensation not less than the highest of any of the following rates:

(i) the average regular rate of pay received by the employee or eligible employee during the last three years of that employee's employment in the same occupation classification;

(ii) the most recent regular rate received by the employee or eligible employee while employed by the employer, incumbent employer, or successor employer; or

(iii) the regular rate received by the individual in the position during the time that the employee or eligible employee should have been employed;

(3) value of the benefits the employee or eligible employee would have received under the employer or successor employer's benefit plan; or

(4) in an action brought in the district court, a prevailing employee shall be awarded reasonable attorneys' fees and costs.

(b) The Labor Standards and Apprenticeship Division shall investigate complaints filed under this section, and if an employer, incumbent employer, or successor employer is found to have violated section 2, the division shall determine and issue an award to an employee pursuant to paragraph (a).

(c) No criminal penalties shall be imposed for a violation of section 2.

(d) This subdivision shall not be construed to limit a discharged employee or eligible employee's right to pursue any other remedies available to an employee in law or equity.

Subd. 2. **Compliance.** The commissioner of labor and industry may issue a compliance order under Minnesota Statutes, section 177.27, subdivision 4, requiring an employer to comply with section 2.

Subd. 3. **Interaction with local law.** Nothing in this section shall prohibit a local government agency from enacting ordinances that impose greater standards than, or establish additional enforcement provisions to, those prescribed by this section.

(1) an injunction to order compliance and restrain continued violations, including through a stop work order or business closure;

(2) payment to a prevailing worker by a meat-processing employer of reasonable costs, disbursements, and attorney fees; and

(3) a civil penalty payable to the state of not less than \$100 per day per worker affected by the meat-processing employer's noncompliance with sections 179.87 to 179.8757.

(c) For any violation of section 179.872:

(1) reinstatement of the worker to the same position held before any adverse personnel action or to an equivalent position, reinstatement of full fringe benefits and seniority rights, and compensation for unpaid wages, benefits and other remuneration, or front pay in lieu of reinstatement; and

(2) compensatory damages payable to the aggrieved worker equal to the greater of \$5,000 or twice the actual damages, including unpaid wages, benefits and other remuneration, and punitive damages.

Subd. 6. Whistleblower enforcement; penalty distribution. (a) The relief provided in this section may be recovered through a private civil action brought on behalf of the commissioner in a court of competent jurisdiction by another individual, including an authorized employee representative, pursuant to this subdivision.

(b) The individual must give written notice to the coordinator of the specific provision or provisions of sections 179.87 to 179.8757 alleged to have been violated. The individual or representative organization may commence a civil action under this subdivision if no enforcement action is taken by the coordinator within 30 days.

(c) Civil penalties recovered pursuant to this subdivision must be distributed as follows:

(1) 70 percent to the commissioner for enforcement of sections 179.87 to 179.8757; and

(2) 30 percent to the individual or authorized employee representative.

(d) The right to bring an action under this subdivision shall not be impaired by private contract. A public enforcement action must be tried promptly, without regard to concurrent adjudication of a private claim for the same alleged violation.

Sec. 7. **[179.8755] RETALIATION AGAINST EMPLOYEES AND WHISTLEBLOWERS PROHIBITED.**

(a) No meat-processing employer or other person may discriminate or take adverse action against any worker or other person who raises a concern about meatpacking operation health and safety practices or hazards to the employer, the employer's agent, other workers, a government agency, or to the public, including through print, online, social, or any other media.

(b) If an employer or other person takes adverse action against a worker or other person within 90 days of the worker's or person's engagement or attempt to engage in activities protected by sections 179.87 to 179.8757, such conduct raises a presumption that the action is retaliatory. The presumption may be rebutted by clear and convincing evidence that the action was taken for other permissible reasons.

(c) No meat-processing employer or other person may attempt to require any worker to sign a contract or other agreement that would limit or prevent the worker from disclosing information about workplace health and safety practices or hazards, or to otherwise abide by a workplace policy that would limit or prevent such disclosures. Any such agreements or policies are hereby void and unenforceable as contrary to the public policy of this state. An employer's attempt to impose such a contract, agreement, or policy shall constitute an adverse action enforceable under sections 179.87 to 179.8757.

(d) Reporting or threatening to report a meat-processing worker's suspected citizenship or immigration status, or the suspected citizenship or immigration status of a family member of the worker, to a federal, state, or local agency because the worker exercises a right under sections 179.87 to 179.8757 constitutes an adverse action for purposes of establishing a violation of that worker's rights. For purposes of this paragraph, "family member" means a spouse, parent, sibling, child, uncle, aunt, niece, nephew, cousin, grandparent, or grandchild related by blood, adoption, marriage, or domestic partnership.

(e) Any worker who brings a complaint under sections 179.87 to 179.8757 and suffers retaliation is entitled to treble damages in addition to lost pay and recovery of attorney fees and costs.

(f) Any company who is found to have retaliated against a food processing worker must pay a fine of up to \$5,000 to the commissioner.

Sec. 8. **[179.8756] MEATPACKING WORKER CHRONIC INJURIES AND WORKPLACE SAFETY.**

Subdivision 1. **Safe worker program required; facility committee.** (a) Meat-processing employers must adopt a safe worker program as part of the employer's work accident and injury reduction program to minimize and prevent musculoskeletal disorders. For purposes of this section, "musculoskeletal disorders" includes carpal tunnel syndrome, tendinitis, rotator cuff injuries, trigger finger, epicondylitis, muscle strains, and lower back injuries.

(b) The meat-processing employer's safe worker program must be developed and implemented by a committee of individuals who are knowledgeable of the tasks and work processes performed by workers at the employer's facility. The committee must include:

(1) a certified professional ergonomist;

(2) a licensed, board-certified physician, with preference given to a physician who has specialized experience and training in occupational medicine, or if it is not practicable for a physician to be a member of the committee, the employer must ensure that its safe worker program is reviewed and approved by a licensed, board-certified physician, with preference given to a physician who has specialized experience and training in occupational medicine; and

(3) at least three workers employed in the employer's facility who have completed a general industry outreach course approved by the commissioner, one of whom must be an authorized employee representative if the employer is party to a collective bargaining agreement.

Subd. 2. Program elements. (a) The committee must establish written procedures to identify ergonomic hazards and contributing risk factors, which must include:

(1) the ergonomic assessment tools used to measure ergonomic hazards;

(2) all jobs where the committee has an indication or knowledge that ergonomic hazards may exist; and

(3) workers who perform the same job or a sample of workers in that job who have the greatest exposure to the ergonomic hazard.

(b) The committee must conduct ergonomic assessments to identify hazards and contributing risk factors; review all surveillance data at least quarterly to identify ergonomic hazards and contributing risk factors; and maintain records of the hazard identification process, which, at a minimum, must include the completed ergonomic assessment tools, the results of the ergonomic assessments including the jobs and workers evaluated, and the assessment dates.

(c) The committee must implement a written ergonomic hazard prevention and control plan to identify and select methods to eliminate, prevent, or control the ergonomic hazards and contributing risk factors. The plan must:

(1) set goals, priorities, and a timeline to eliminate, prevent, or control the ergonomic hazards and contributing risk factors identified;

(2) identify the person or persons responsible for ergonomic hazard assessments and implementation of controls;

(3) rely upon the surveillance data and the ergonomic risk assessment results; and

(4) take into consideration the severity of the risk, the numbers of workers at risk, and the likelihood that the intervention will reduce the risk.

(d) A meat-processing employer must control, reduce, or eliminate ergonomic hazards which lead to musculoskeletal disorders to the extent feasible by using engineering, work practice, and administrative controls.

(e) The committee must monitor at least annually the implementation of the plan including the effectiveness of controls and evaluate progress in meeting program goals.

Subd. 3. New employee training. (a) A meat-processing employer must work with the committee to provide each new employee with information regarding:

(1) the committee and its members;

(2) the facility's hazard prevention and control plan;

(3) early signs and symptoms of musculoskeletal injuries and the procedures for reporting them;

(4) procedures for reporting other injuries and hazards;

(5) engineering and administrative hazard controls implemented in the workplace, including ergonomic hazard controls; and

(6) the availability and use of personal protective equipment.

(b) A meat-processing employer must work with the committee and ensure that new workers receive safety training prior to starting a job that the worker has not performed before. The employer must provide the safety training during working hours and compensate the new employee at the employee's standard rate of pay. The employer also must give a new employee an opportunity within 30 days of the employee's hire date to receive a refresher training on the topics covered in the new worker safety training. The employer must provide new employee training in a language and with vocabulary that the employee can understand.

Subd. 4. **New task and annual safety training.** (a) Meat-processing employers must provide every worker who is assigned a new task if the worker has no previous work experience with training on how to safely perform the task, the ergonomic and other hazards associated with the task, and training on the early signs and symptoms of musculoskeletal injuries and the procedures for reporting them. The employer must give a worker an opportunity within 30 days of receiving the new task training to receive refresher training on the topics covered in the new task training. The employer must provide this training in a language and with vocabulary that the employee can understand.

(b) Meat-processing employers must provide each worker with no less than eight hours of safety training each year. This annual training must address health and safety topics that are relevant to the establishment, such as cuts, lacerations, amputations, machine guarding, biological hazards, lockout/tagout, hazard communication, ergonomic hazards, and personal protective equipment. At least two of the eight hours of annual training must be on topics related to the facility's ergonomic injury prevention program, including the assessment of surveillance data, the ergonomic hazard prevention and control plan, and the early signs and symptoms of musculoskeletal disorders and the procedures for reporting them. The employer must provide this training in a language and with vocabulary that the employee can understand.

Subd. 5. **Attestation and record keeping.** Meat-processing employers must maintain a written attestation dated and signed by each person who provides training and each employee who receives training pursuant to this section. This attestation must certify that the employer has provided training consistent with the requirements of this section. The employer must ensure that these records are up to date and available to the commissioner, the coordinator, and the authorized employee representative upon request.

Subd. 6. **Medical services and qualifications.** (a) Meat-processing employers must ensure that:

(1) all first-aid providers, medical assistants, nurses, and physicians engaged by the employer are licensed and perform their duties within the scope of their licensed practice;

(2) medical management of musculoskeletal disorders is under direct supervision of a licensed physician specializing in occupational medicine who will advise on best practices for management and prevention of work-related musculoskeletal disorders; and

(3) medical management of musculoskeletal injuries follows the most current version of the American College of Occupational and Environmental Medicine practice guidelines.

(b) Meat-processing employers must make a record of all worker visits to medical or first aid personnel, regardless of severity or type of illness or injury, and make these records available to the coordinator and the authorized employee representative.

(c) Meat-processing employers must maintain records of all ergonomic injuries suffered by workers for at least five years.

(d) The coordinator may compile, analyze, and publish annually, either in summary or detailed form, all reports or information obtained under sections 179.87 to 179.8757, including information about safe worker programs, and may cooperate with the United States Department of Labor in obtaining national summaries of occupational deaths, injuries, and illnesses. The coordinator must preserve the anonymity of each employee with respect to whom medical reports or information is obtained.

(e) Meat-processing employers must not institute or maintain any program, policy, or practice that discourages employees from reporting injuries, hazards, or safety standard violations.

Subd. 7. **Rulemaking required.** The commissioner must adopt rules requiring employers to maintain accurate records of meat-processing worker exposure to ergonomic hazards.

Subd. 8. **Pandemic protections.** (a) This subdivision applies during a peacetime public health emergency declared under section 12.31, subdivision 2.

(b) Meat-processing employers must maintain at least a six-foot radius of space around and between each worker. An employer may accomplish such distancing by increasing physical space between workstations, slowing production speeds, staggering shifts and breaks, adjusting shift size, or a combination thereof. The employer must reconfigure common or congregate spaces to allow for such distancing, including lunch rooms, break rooms, and locker rooms. The coordinator must reinforce social distancing by allowing workers to maintain six feet of distance along with the use of plastic barriers.

(c) Meat-processing employers must provide employees with face masks and must make face shields available on request. Face masks, including replacement face masks, and face shields must be provided at no cost to the employee. All persons present at the meatpacking operation must wear face masks in the facility except in those parts of the facility where infection risk is low because workers work in isolation.

(d) Meat-processing employers must provide all meat-processing workers with the ability to frequently and routinely sanitize their hands with either hand-washing or hand-sanitizing stations. The employer must ensure that restrooms have running hot and cold water and paper towels and are in sanitary condition. The employer must provide gloves to those who request them.

(e) Meat-processing employers must clean and regularly disinfect all frequently touched surfaces in the workplace, such as workstations, training rooms, machinery controls, tools, protective garments, eating surfaces, bathrooms, showers, and other similar areas. Employers must install and maintain ventilation systems that ensure unidirectional air flow, outdoor air, and filtration in both production areas and common areas such as cafeterias and locker rooms.

(f) Meat-processing employers must disseminate all required communications, notices, and any published materials regarding these protections in English, Spanish, and other languages as required for employees to understand the communication.

(g) Meat-processing employers must provide adequate break time for workers to use the bathroom, wash their hands, and don and doff protective equipment.

(h) Meat-processing employers must provide sufficient personal protective equipment for each employee for each shift, plus replacements, at no cost to the employee. Meat-processing employers must provide training in proper use of personal protective equipment, safety procedures, and sanitation.

(i) As part of the meat-processing employer's accident, injury, and illness reduction program, the employer must create a health and safety committee consisting of equal parts company management, employees, and authorized employee representatives. The health and safety committee must meet at least twice a year and present results to the commissioner. If the meatpacking operation has no collective bargaining agreement, a local labor representative must be appointed.

(j) Meat-processing employers must record all injuries and illnesses in the facility and make these records available upon request to the health and safety committee. The employer also must make its records available to the commissioner, and where there is a collective bargaining agreement, to the authorized bargaining representative.

(k) Meat-processing employers must provide paid sick time for workers to recuperate from illness or injury or to care for ill family members. For purposes of this paragraph, "family member" includes:

(1) biological, adopted, or foster children, stepchildren, children of domestic partners or spouses, and legal wards of workers;

(2) biological parents, stepparents, foster parents, adoptive parents, or legal guardians of a worker or a worker's spouse or domestic partner;

(3) a worker's legally married spouse or domestic partner as registered under the laws of any state or political subdivision;

(4) a worker's grandparent, whether from a biological, step-, foster, or adoptive relationship;

(5) a worker's grandchild, whether from a biological, step-, foster, or adoptive relationship;

(6) a worker's sibling, whether from a biological, step-, foster, or adoptive relationship; and

(7) any other individual related by blood or affinity to the worker whose association with the worker is the equal of a family relationship.

(l) All meat-processing workers must accrue at least one hour of paid sick time for every 30 hours worked. For purposes of this paragraph, paid sick time means time that is compensated at the same hourly rate, including the same benefits, as is normally earned by the worker.

(m) Meat-processing employers may provide all paid sick time a worker is expected to accrue at the beginning of the year or at the start of the worker's employment.

(n) Meat-processing employers must carry an employee's earned paid sick time over into the following calendar year. If a worker does not wish to carry over sick time, the meat-processing employer must pay the worker for accrued sick time. If a worker chooses to receive pay in lieu of carried-over sick time, the employer must provide the worker with an amount of paid sick time that meets or exceeds the requirements of sections 179.87 to 179.8757, to be available for the worker's immediate use at the start of the following calendar year.

(o) Meat-processing employers must maintain records for at least three years showing hours worked and paid sick time accrued and used by workers. Employers must allow the commissioner and coordinator access to these records in order to ensure compliance with the requirements of sections 179.87 to 179.8757.

(p) If a meat-processing employer transfers a worker to another division or location of the same meat-processing employer, the worker is entitled to all earned paid sick time accrued in the worker's previous position. If a worker is separated from employment and rehired within one year by the same meat-processing employer, the meat-processing employer must reinstate the worker's earned sick time to the level accrued by the worker as of the date of separation.

(q) If a meat-processing employer is succeeded by a different employer, all workers of the original employer are entitled to all earned paid sick time they accrued when employed by the original employer.

(r) Meat-processing employers must not require workers to find or search for a replacement worker to take the place of the worker as a condition of the worker using paid sick time.

(s) Meat-processing employers must not require workers to disclose details of private matters as a condition of using paid sick time, including details of a worker or family member's illness, domestic violence, sexual abuse or assault, or stalking and harassment. If the employer does possess such information, it must be treated as confidential and not disclosed without the express permission of the worker.

(t) Meat-processing employers must provide workers written notice of their rights and the employer's requirements under this section at the time the worker begins employment. This notice must be provided in English, Spanish, or the employee's language of fluency. The amount of paid sick time a worker has accrued, the amount of paid sick time a worker has used during the current year, and the amount of pay the worker has received as paid sick time must be recorded on or attached to the worker's paycheck. Meat-processing employers must display a poster in a conspicuous location in each facility where workers are employed that displays the information required under this paragraph. The poster must be displayed in English and any language of fluency that is read or spoken by at least five percent of the employer's workers.

(u) Nothing in this subdivision shall be construed to:

(1) prohibit or discourage an employer from adopting or retaining a paid sick time policy that is more generous than the one provided in this subdivision;

(2) diminish the obligation of an employer to comply with a collective bargaining agreement, or any other contract that provides more generous paid sick time to a worker than provided for in this subdivision; or

(3) override any provision of local law that provides greater rights for paid sick time than is provided for in this subdivision.

Subd. 9. **Small processor exemption.** Meat-processing operations having 50 or fewer employees are exempt from the requirements of this section.

Sec. 9. **[179.8757] NOTIFICATION REQUIRED.**

(a) Meat-processing employers must provide written information and notifications about employee rights under section 179.86 and sections 179.87 to 179.8757 to workers in their language of fluency at least annually. If a worker is unable to understand written information and notifications, the employer must provide such information and notices orally in the worker's language of fluency.

(b) The coordinator must notify covered employers of the provisions of sections 179.87 to 179.8757 and any recent updates at least annually.

(c) The coordinator must place information explaining sections 179.87 to 179.8757 on the Department of Labor and Industry's website in at least English, Spanish, and any other language that at least ten percent of meat-processing workers communicate in fluently. The coordinator must also make the information accessible to persons with impaired visual acuity."
