"Section 1. [144.1498] [DENTIST LOAN FORGIVENESS.]

Subdivision 1. [DEFINITIONS.] For the purposes of this section, "qualified educational loan" means a government, commercial, or foundation loan for the actual costs paid for tuition, reasonable education expenses, and reasonable living expenses related to graduate or undergraduate education of a dentist.

Subd. 2. [CREATION OF ACCOUNT.] A dental education account is established in the general fund. The commissioner shall use money from the account to establish a loan forgiveness program for dentists agreeing to provide services for a substantial number of state public assistance program participants and other low- to moderate-income uninsured patients, as defined by the commissioner of health.

Subd. 3. [ELIGIBILITY.] To be eligible to participate in the program, a dental student must submit an application to the commissioner of health while attending a program of study designed to prepare the student to become a licensed dentist. To be eligible to participate in the program, a licensed dentist must submit an application to the commissioner of health within three years of graduation from a dental school or completion of a graduate dental program. An applicant who is accepted must sign a contract to agree to serve: (1) a minimum three-year service obligation during which at least 15 percent of the dentist's yearly patient encounters are provided to public assistance program enrollees or patients receiving sliding fee schedule discounts through a formal sliding fee schedule that meets the standards established in Code of Federal Regulations, title 42, section 51c.303; or (2) a minimum three-year service obligation in a designated rural area, as defined by the commissioner under section 144.1494. The service obligation for applicants who are dental students shall begin no later than March 31 of the first year following completion of training. The service obligation for applicants who are licensed dentists shall begin no later than 12 months following the date on which an application is submitted.

Subd. 4. [LOAN FORGIVENESS.] The commissioner of health may accept up to 14 applicants per year for participation in the loan forgiveness program. Applicants are responsible for securing their own qualified educational loan. Applicants chosen to participate in the loan forgiveness program may designate, for each year of dentistry study up to a maximum of four years, an agreed amount, not to exceed \$10,000, as a qualified educational loan. For each year that a participant meets the service obligation required under subdivision 3, up to a maximum of four years, the commissioner shall make annual disbursements directly to the participant in an amount equal to \$10,000 per year of service, not to exceed \$40,000 or the balance of the qualified educational loan, whichever is less. The total amount of all disbursements must not exceed the principal and accrued interest of the qualified educational loan. Before receiving loan repayment disbursements, the participant must complete and return to the commissioner an affidavit of practice form provided by the commissioner verifying that the participant's practice meets the requirements described in subdivision 3. After each disbursement, the participant must provide the commissioner with verification that the full amount of a loan repayment disbursement received by the participant has been applied toward the qualified educational loan before the next loan repayment disbursement is made. Participants who move their practice remain eligible for loan repayment if the requirements of subdivision 3 continue to be met.

Subd. 5. [PENALTY FOR NONFULFILLMENT.] If a participant does not fulfill the service commitment as required under subdivision 3, the commissioner of health shall collect from the participant 100 percent of any payments made for the qualified educational loan and interest at a rate established under section 270.75. The commissioner shall deposit the money collected in the dental education account established under subdivision 2.

Subd. 6. [SUSPENSION OR WAIVER OF OBLIGATION.] Payment or service obligations cancel in the event of a participant's death. The commissioner of health may waive or suspend payment or service obligations in cases of total and permanent disability or long-term temporary disability lasting for more than two years. The commissioner shall evaluate all other requests for suspension or waivers on a case-by-case basis and may grant a waiver of all or part of the money owed as a result of a nonfulfillment penalty if emergency circumstances prevented fulfillment of the required service commitment.

Sec. 2. [256.958] [RETIRED DENTIST PROGRAM.]

Subdivision 1. [PROGRAM.] The commissioner of human services shall establish a program to reimburse a retired dentist for the dentist's license fee and for the cost of malpractice insurance in exchange for the dentist providing ... hours of dental services on a volunteer basis within a six-month period at a community dental clinic or a dental training clinic located at a Minnesota state college or university.

Subd. 2. [DOCUMENTATION.] Upon completion of the required hours, the retired dentist shall submit to the commissioner the following:

- (1) documentation of service provided;
- (2) the cost of malpractice insurance for the six-month period; and
- (3) the cost of the license.

Subd. 3. [REIMBURSEMENT.] Upon receipt of the information described in subdivision 2, the commissioner shall provide reimbursement to the retired dentist for the cost of malpractice insurance for the previous six-month period and the cost of the license.

Sec. 3. Minnesota Statutes 2000, section 256B.69, is amended by adding a subdivision to read:

Subd. 6c. [DENTAL SERVICES DEMONSTRATION PROJECT.] The commissioner shall establish a dental services demonstration project in Crow Wing, Todd, Morrison, Wadena, and Cass counties for provision of dental services to medical assistance, general assistance medical care, and MinnesotaCare recipients. The commissioner may contract on a prospective per capita payment basis for these dental services with an organization licensed under chapter 62C, 62D, or 62N in accordance with section 256B.037 or may establish and administer a fee-for-service system for the reimbursement of dental services.

Sec. 4. Minnesota Statutes 2000, section 256B.76, is amended to read:

256B.76 [PHYSICIAN AND DENTAL REIMBURSEMENT.]

(a) Effective for services rendered on or after October 1, 1992, the commissioner shall make payments for physician services as follows:

(1) payment for level one Health Care Finance Administration's common procedural coding system (HCPCS) codes titled "office and other outpatient services," "preventive medicine new and established patient," "delivery, antepartum, and postpartum care," "critical care," ~~Caesarean~~ cesarean delivery and pharmacologic management provided to psychiatric patients, and HCPCS level three codes for enhanced services for prenatal high risk, shall be paid at the lower of (i) submitted charges, or (ii) 25 percent above the rate in effect on June 30, 1992. If the rate on any procedure code within these categories is different than the rate that would have been paid under the methodology in section 256B.74, subdivision 2, then the larger rate shall be paid;

(2) payments for all other services shall be paid at the lower of (i) submitted charges, or (ii) 15.4 percent above the rate in effect on June 30, 1992;

(3) all physician rates shall be converted from the 50th percentile of 1982 to the 50th percentile of 1989, less the percent in aggregate necessary to equal the above increases except that payment rates for home health agency services shall be the rates in effect on September 30, 1992;

(4) effective for services rendered on or after January 1, 2000, payment rates for physician and professional services shall be increased by three percent over the rates in effect on December 31, 1999, except for home health agency and family planning agency services; and

(5) the increases in clause (4) shall be implemented January 1, 2000, for managed care.

(b) Effective for services rendered on or after October 1, 1992, the commissioner shall make payments for dental services as follows:

(1) dental services shall be paid at the lower of (i) submitted charges, or (ii) 25 percent above the rate in effect on June 30, 1992;

(2) dental rates shall be converted from the 50th percentile of 1982 to the 50th percentile of 1989, less the percent in aggregate necessary to equal the above increases;

(3) effective for services rendered on or after January 1, 2000, payment rates for dental services shall be increased by three percent over the rates in effect on December 31, 1999;

(4) the commissioner shall award grants to community clinics or other nonprofit community organizations, political subdivisions, professional associations, or other organizations that demonstrate the ability to provide dental services effectively to public program recipients. Grants may be used to fund the costs related to coordinating access for recipients, developing and implementing patient care criteria, upgrading or establishing new facilities, acquiring furnishings or equipment, recruiting new providers, or other development costs that will improve access to dental care in a region. In awarding grants, the commissioner shall give priority to applicants that plan to serve areas of the state in which the number of dental providers is not currently sufficient to meet the needs of recipients of public programs or uninsured individuals. The commissioner shall consider the following in awarding the grants: (i) potential to successfully increase access to an underserved population; (ii) the ability to raise matching funds; (iii) the long-term viability of the project to improve access beyond the period of initial funding; (iv) the efficiency in the use of the funding; and (v) the experience of the proposers in providing services to the target population.

The commissioner shall monitor the grants and may terminate a grant if the grantee does not increase dental access for public program recipients. The commissioner shall consider grants for the following:

(i) implementation of new programs or continued expansion of current access programs that have demonstrated success in providing dental services in underserved areas;

(ii) a pilot program for utilizing hygienists outside of a traditional dental office to provide dental hygiene services; and

(iii) a program that organizes a network of volunteer dentists, establishes a system to refer eligible individuals to volunteer dentists, and through that network provides donated dental care services to public program recipients or uninsured individuals.

(5) beginning October 1, 1999, the payment for tooth sealants and fluoride treatments shall be the lower of (i) submitted charge, or (ii) 80 percent of median 1997 charges; ~~and~~

(6) the increases listed in clauses (3) and (5) shall be implemented January 1, 2000, for managed care; and

(7) effective for services provided on or after October 1, 2001, payment for diagnostic examinations and dental x-rays provided to children under age 21 shall be the lower of (i) the submitted charge, or (ii) 85 percent of median 1999 charges.

(c) An entity that operates both a Medicare certified comprehensive outpatient rehabilitation facility and a facility which was certified prior to January 1, 1993, that is licensed under Minnesota Rules, parts 9570.2000 to 9570.3600, and for whom at least 33 percent of the clients receiving rehabilitation services in the most recent calendar year are medical assistance recipients, shall be reimbursed by the commissioner for rehabilitation services at rates that are 38 percent greater than the maximum reimbursement rate allowed under paragraph (a), clause (2), when those services are (1) provided within the comprehensive outpatient rehabilitation facility and (2) provided to residents of nursing facilities owned by the entity.

(d) Effective for dental services provided on or after July 1, 2001, the commissioner may increase reimbursement to dentists or dental clinics classified by the commissioner as critical access providers. The commissioner may increase reimbursement to a critical access provider by up to 50 percent more than would otherwise be paid to that provider. In determining critical access provider status, the commissioner shall review:

(1) the utilization rate for dental services by Minnesota health care program patients in the service area;

(2) the level of service provided to Minnesota health care program patients by the dentist or dental clinic; and

(3) whether the level of services provided by the dentist or clinic is critical to maintaining an adequate level of access for patients in the service area.

If no provider in a service area is designated a critical access provider upon review, the commissioner may designate a dentist or dental clinic as a critical access provider if the dentist or clinic is willing to provide care to Minnesota health care program patients at a level that significantly increases access to dental care within the service area. The commissioner shall adjust payments to prepaid health plans to reflect increased reimbursement to critical access providers under this paragraph.

Sec. 10. Minnesota Statutes 2000, section 82.197, subdivision 4, is amended to read:

Subd. 4. [AGENCY DISCLOSURE FORM.] The agency disclosure form shall be in substantially the form set forth below:

AGENCY RELATIONSHIPS IN REAL ESTATE TRANSACTIONS

Minnesota law requires that early in any relationship, real estate brokers or salespersons discuss with consumers what type of agency representation or relationship they desire.(1) The available options are listed below. This is not a contract. This is an agency disclosure form only. If you desire representation, you must enter into a

written contract according to state law (a listing contract or a buyer representation contract). Until such time as you choose to enter into a written contract for representation ~~or assistance~~, you will be treated as a customer ~~of the broker or salesperson and not represented by the brokerage~~ and will not receive any representation from the broker or salesperson. The broker or salesperson ~~would then~~ will be acting as a ~~Seller's broker~~ Facilitator (see paragraph ~~I V~~ below), or as a nonagent (see paragraph IV below) unless the broker or salesperson is representing another party as described below.

ACKNOWLEDGMENT: I/We acknowledge that I/We have been presented with the below-described options. I/We understand that until I/We have signed a representation contract, I/We are not represented by the broker/salesperson and information given to the broker/salesperson may be disclosed. I/We understand that written consent is required for a dual agency relationship. THIS IS A DISCLOSURE ONLY, NOT A CONTRACT FOR REPRESENTATION.

I.

Seller's Broker: A broker who lists a property, or a salesperson who is licensed to the listing broker, represents the Seller and acts on behalf of the Seller. ~~A broker or salesperson working with a Buyer may also act as a subagent of the Seller, in which case the Buyer is the broker's customer and is not represented by that broker.~~ A Seller's broker owes to the Seller the fiduciary duties described below.(2) The broker must also disclose to the Buyer ~~any~~ material facts(3) of which the broker is aware that could adversely and significantly affect the Buyer's use or enjoyment of the property. If a broker or salesperson who is working with a Buyer as a customer and is representing the Seller and to whom any information is disclosed, he or she must act in the Seller's ~~interests~~ best interest and must tell the Seller the any information disclosed to him or her, except confidential information acquired in a facilitator relationship (see paragraph V below). In that case, the Buyer will not be represented and will not receive advice and counsel from the broker or salesperson.

II.

Subagent: A broker or salesperson who is working with a Buyer but represents the Seller. In this case, the Buyer is the broker's customer and is not represented by that broker. If a broker or salesperson working with a Buyer as a customer is representing the Seller, he or she must act in the Seller's best interest and must tell the Seller any information that is disclosed to him or her. In that case, the Buyer will not be represented and will not receive advice and counsel from the broker or salesperson.

III.

Buyer's Broker: A Buyer may enter into an agreement for the broker or salesperson to represent and act on behalf of the Buyer. The broker may represent the Buyer only, and not the Seller, even if ~~the broker~~ he or she is being paid in whole or in part by the Seller. A Buyer's broker owes to the Buyer the fiduciary duties described below.(2) The broker must disclose to the Buyer ~~any~~ material facts(3) of which the broker is aware that could adversely and significantly affect the Buyer's use or enjoyment of the property. If a broker or salesperson working with a Seller as a customer is representing the Buyer, he or she must act in the Buyer's best interest and must tell the Buyer any information disclosed to him or her, except confidential information acquired in a facilitator relationship (see paragraph V below). In that case, the Seller will not be represented and will not receive advice and counsel from the broker or salesperson.

III. IV.

Dual Agency-Broker Representing both Seller and Buyer: Dual agency occurs when one broker or salesperson represents both parties to a transaction, or when two salespersons licensed to the same broker each represent a party to the transaction. Dual agency requires the informed consent of all parties, and means that the broker and salesperson owe the same duties to the Seller and the Buyer. This role limits the level of representation the broker and salespersons can provide, and prohibits them from acting exclusively for either party. In a dual agency, confidential information about price, terms, and motivation for pursuing a transaction will be kept confidential unless one party instructs the broker or salesperson in writing to disclose specific information about ~~the party writing him or her~~. Other information will be shared. Dual agents may not advocate for one party to the detriment of the other. ~~(3)~~(4)

Within the limitations described above, dual agents owe to both Seller and Buyer the fiduciary duties described below.(2) Dual agents must disclose to Buyers ~~any~~ material facts(3) of which the broker is aware that could adversely and significantly affect the Buyer's use or enjoyment of the property.

IV. V.

Nonagent Facilitator: A broker or salesperson ~~may perform who performs~~ services for ~~either party as a nonagent, if that party signs a nonagency services agreement a Buyer, a Seller, or both but does not represent either in a fiduciary capacity as a Buyer's Broker, Seller's Broker, or Dual Agent. As a nonagent~~ the broker or salesperson facilitates the transaction, but does not act on behalf of either party. **THE NONAGENT FACILITATOR BROKER OR SALESPERSON DOES NOT OWE ANY PARTY ANY OF THE FIDUCIARY DUTIES LISTED BELOW, UNLESS THOSE DUTIES ARE INCLUDED IN THE WRITTEN NONAGENCY FACILITATOR SERVICES AGREEMENT.** The ~~nonagent~~ facilitator broker or salesperson owes ~~only the duty of confidentiality to the party but owes no other duty to the party except~~ those duties required by law or contained in ~~the~~ a written ~~nonagency facilitator~~ services agreement, if any. In the event a facilitator broker or salesperson, working with a Buyer, shows a property listed by the facilitator broker or salesperson, then the facilitator broker or salesperson must act as a Seller's Broker (see paragraph I above). In the event a facilitator broker or salesperson, working with a Seller, accepts a showing of the property by a Buyer being represented by the facilitator broker or salesperson, then the facilitator broker or salesperson must act as a Buyer's Broker (see paragraph III above).

~~ACKNOWLEDGMENT: I/We acknowledge that I/We have been presented with the above described options. I/We understand that Buyers who have not signed a Buyer representation contract or nonagency services agreement are not represented by the broker/salesperson and information given to the broker/salesperson will be disclosed to the Seller. I/We understand that written consent is required for a dual agency relationship. This is a disclosure only, NOT a contract for representation.~~

(d) A licensee is not required to disclose, except as otherwise provided in paragraph (e), information relating to the physical condition of the property or any other information relating to the real estate transaction, if a written report that discloses the information has been prepared by a qualified third party and provided to the person. For
