(b) For purposes of this subdivision, a county agency's actions include actions by the department with respect to these services. The request must be filed no later than ten days from the date of a notice of agency action on case management. The county agency or the state may implement the action, reduction, suspension, denial, or termination of services described in the notice of action unless the recipient includes a request for continuation of services. (d) Hearings involving claims that the county agency failed to comply with the requirement to schedule and hold a conference or to notify the recipient of its intended action according to this subdivision shall be limited in scope to those issues only, and the human services judge may recommend an order to the commissioner remanding the case to the county agency with directions to schedule and hold the conference and to notify the recipient of its intended action. involving case management services only, unless the commissioner refuses to accept the recommended order, in which event a final order shall issue within 90 days of the receipt of that request. The order may direct the county agency to take those actions necessary to comply with applicable laws or rules. The commissioner may issue a temporary order prohibiting the demission of a recipient of case management services under section 256B.092, from a residential or day habilitation program licensed under chapter 245A, while a county agency review process or an appeal brought by a recipient under this subdivision is pending, or for the period of time necessary for the county agency to implement the commissioner's order. The commissioner shall not issue a final order staying the demission of a recipient of case management services from a residential or day habilitation program licensed under chapter 245A.

(e) Any recipient of case management services under section 256B.0625 or 256B.092, must be informed in writing at the time of application and at the time of any change in services that they must submit a written request to the county agency for a conference with the case manager and the county social service director before they can file an appeal under this section, of their right to continue receiving services pending the outcome of the conference and notice from the county agency, and that time for requesting a hearing under subdivision 3a and requesting continuation of services begins to run when they receive the postconference notice of the county's intended actions. For purposes of this paragraph, recipients are presumed to have received notice of the agency's intended actions three business days after the date of the notice.
