~~(2) meets the asset limits in paragraph (d); and~~

~~(3) pays a premium and other obligations under paragraph (e).~~

Earned income must have Medicare, Social Security, and applicable state and federal taxes withheld. The person must document earned income tax withholding. Any spousal income ~~or assets~~ shall be disregarded for purposes of eligibility ~~and premium determinations.~~

To receive a four-month extension, enrollees must verify the medical condition or provide notification of job loss. All other eligibility requirements must be met ~~and the enrollee must pay all calculated premium costs for continued eligibility.~~

~~(d) For purposes of determining eligibility under this subdivision, a person's assets must not exceed \$20,000, excluding:~~

~~(1) all assets excluded under section 256B.056;~~

~~(2) retirement accounts, including individual accounts, 401(k) plans, 403(b) plans, Keogh plans, and pension plans;~~

~~(3) medical expense accounts set up through the person's employer; and~~

~~(4) spousal assets, including spouse's share of jointly held assets.~~

~~(e) All enrollees must pay a premium to be eligible for medical assistance under this subdivision, except as provided under clause (5).~~

~~(1) An enrollee must pay the greater of a \$35 premium or the premium calculated based on the person's gross earned and unearned income and the applicable family size using a sliding fee scale established by the commissioner, which begins at one percent of income at 100 percent of the federal poverty guidelines and increases to 7.5 percent of income for those with incomes at or above 300 percent of the federal poverty guidelines.~~

~~(2) Annual adjustments in the premium schedule based upon changes in the federal poverty guidelines shall be effective for premiums due in July of each year.~~

~~(3) All enrollees who receive unearned income must pay one half of one percent of unearned income in addition to the premium amount, except as provided under clause (5).~~

~~(5) Effective July 1, 2009, American Indians are exempt from paying premiums as required by section 5006 of the American Recovery and Reinvestment Act of 2009, Public Law 111-5. For purposes of this clause, an American Indian is any person who meets the definition of Indian according to Code of Federal Regulations, title 42, section 447.50.~~

~~(f) (e) A person's eligibility and premium shall be determined by the local county agency. Premiums must be paid to the commissioner. All premiums are dedicated to the commissioner.~~

~~(g) Any required premium shall be determined at application and redetermined at the enrollee's six-month income review or when a change in income or household size is reported. (f) Enrollees must report any change in income or household size within ten days of when the change occurs. A decreased premium resulting from a reported change in income or household size shall be effective the first day of the next available billing month after the change is reported. Except for changes occurring from annual cost of living increases, a change resulting in an increased premium shall not affect the premium amount until the next six-month review.~~

~~(h) Premium payment is due upon notification from the commissioner of the premium amount required. Premiums may be paid in installments at the discretion of the commissioner.~~

~~(i) Nonpayment of the premium shall result in denial or termination of medical assistance unless the person demonstrates good cause for nonpayment. "Good cause" means an excuse for the enrollee's failure to pay the required premium when due because the circumstances were beyond the enrollee's control or not reasonably foreseeable. The commissioner shall determine whether good cause exists based on the weight of the supporting evidence submitted by the enrollee to demonstrate good cause. Except when an installment agreement is accepted by the commissioner, all persons disenrolled for nonpayment of a premium must pay any past due premiums as well as current premiums due prior to being reenrolled. Nonpayment shall include payment with a returned, refused, or dishonored instrument. The commissioner may require a guaranteed form of payment as the only means to replace a returned, refused, or dishonored instrument.~~

~~(j) (g) For enrollees whose income does not exceed 200 percent of the federal poverty guidelines who are: (1) eligible under this subdivision and who are also enrolled in Medicare; and (2) not eligible for medical assistance reimbursement of Medicare premiums under subdivision 3, 3a, 3b, or 4, the commissioner shall reimburse the enrollee for Medicare part A and Medicare part B premiums under section 256B.0625, subdivision 15, paragraph (a) and part A and part B coinsurance and deductibles. Reimbursement of the Medicare coinsurance and deductibles, when added to the amount paid by Medicare, must not exceed the total rate the provider would have received for the same service or services if the person was receiving benefits as a qualified Medicare beneficiary.~~

~~(h) The commissioner must permit any individual who was disenrolled for nonpayment of premiums previously required under this subdivision to reapply for medical assistance under this subdivision and be reenrolled if eligible without paying past due premiums.~~

EFFECTIVE DATE. This section is effective January 1, 2024, or upon federal approval, whichever occurs later. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained."
